## INFORM

Our team becomes an integral part of your trial team at the outset, helping to visualize strategies and themes underlying the development of compelling graphics tailored to your case. Our unique process is designed to organize, frame and present your client's narrative effectively.

## CAPTIVATE

We are experts in translating complex legal arguments into clear and understandable demonstratives that educate, engage and persuade judge and jury, and are unrivaled in their impact.

## PREVAIL

The overarching benefit of our ongoing support is visual consistency and thematic clarity throughout the life of your case. Your arguments, strategies and themes, coupled with convincing and memorable visuals supporting them, will yield the greatest opportunity for success. CLS Trial Consulting is truly one of the most important weapons in your arsenal — *your victory is our victory.*

## THE POWER OF INTELLECTUAL DESIGN

## UNPARALLELED CAPABILITIES

CLS Trial Consulting offers a comprehensive set of consulting and support services, including the creation of compelling presentations and animation, recommendations as to overall visual strategies for all stages of litigation, and the expert delivery of graphics and other evidence in court by our seasoned trial technicians. Our experienced team of attorney-consultants and graphic designers confronts each client challenge as our own.

What sets us apart:

### **Creativity**

Through our expertise in information design, imaginative thinking and effective demonstrative tools, we translate complex information into captivating graphics.

### **Responsiveness**

Our attorney-consultants have trial experience and understand the time pressure you face—your schedule is our schedule, and we are available 24/7 to respond immediately to your needs.

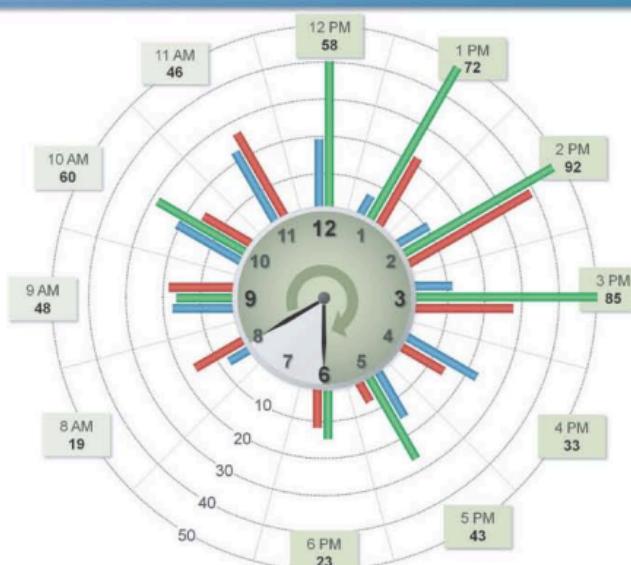

### **Experience**

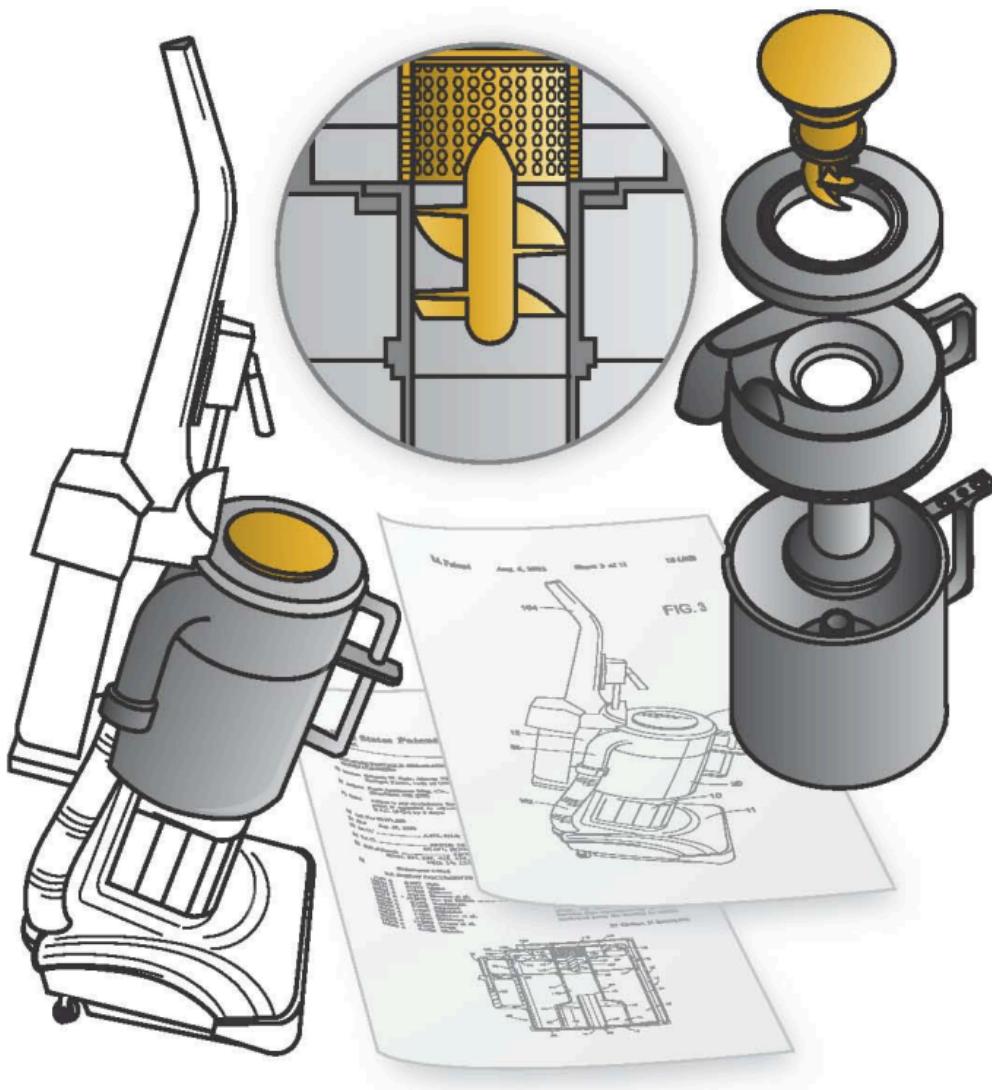

Our professionals have over 30 years of combined experience working alongside AmLaw 100 firms and Fortune 1000 companies on complex commercial, intellectual property, antitrust, environmental, and all other types of high-stakes litigation.

### **Value**

Committed to providing the highest level of quality and customer service, we establish a realistic and reasonable budgetary estimate at the outset of a case. We also offer innovative pricing models tailored to fit our clients' needs.

### Stock Trades Per Hour

## SUPPORT THROUGHOUT YOUR LITIGATION

Whether for a critical hearing, mediation or trial, we seamlessly integrate with your trial team to capture the strategies and themes of your arguments. Our goal is to ensure that your narrative is clear, compelling, and memorable.

## STRATEGIC PRESENTATION DESIGN

As experts in intellectual design, we absorb the facts and themes of your case as you have developed them and translate them in a convincing visual narrative. We have an eye for intelligent and persuasive design and provide our clients with the very best opportunity to win.

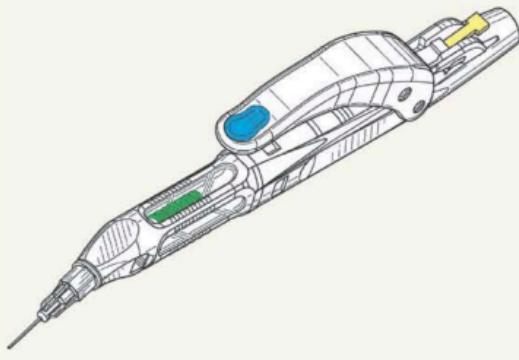

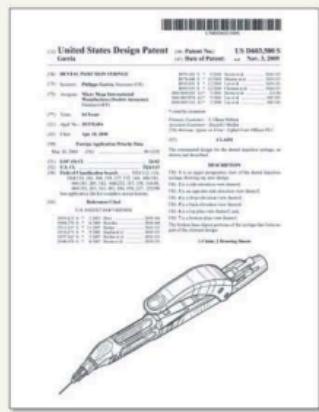

## TRIAL TECHNICIAN SERVICES

Our seasoned trial technicians consistently demonstrate their skills in the hot seat, delivering effective data management and flawless presentation of documents, audio/video media, and graphics-based demonstratives in courts nationwide.

## OUR COMMITMENT

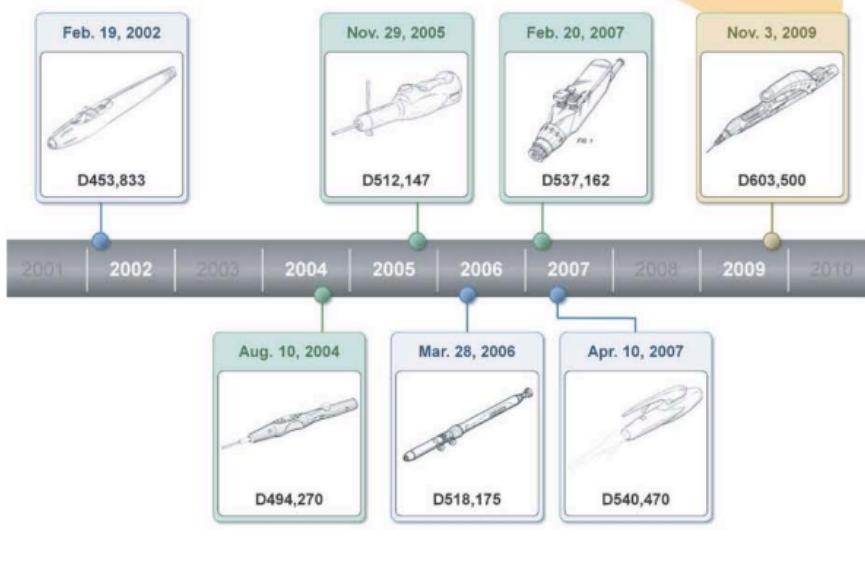

We recognize that because your clients are operating in extremely competitive markets, they demand the highest level of support and value from litigation service providers. We provide unmatched capabilities in the most cost-effective manner, thus assisting you in making the best impression on your client. Our commitment first and foremost is to world-class customer service and designing captivating graphics to help you achieve success.
