1 RETAIL PURCHASES

The first way to earn is straightforward. You can receive retail profits when you purchase the product wholesale and sell it retail. This is done simply and easily through your own Xyngular website without ever touching the product. You never have to stockpile or deliver any product.

	30PV	120PV	120PV (CORE4)
WHOLESALE	\$34.95	\$132.00	\$158.00
RETAIL	\$44.95	\$179.80	\$205.40
PROFIT	\$10.00	\$47.80	\$47.40

2 RESIDUAL EARNINGS (Unilevel Commissions)

The second form of compensation is a long term residual income. At Xyngular we have an 8 level unilevel compensation plan which provides a very powerful residual income, one of the most generous unilevel plans in the industry. You are paid on every bottle of product purchased anywhere in your eight levels, and you are paid month after month for a long-term residual income.

Dynamic Compression – if an XD does not purchase any product within a 2 month period, that level will compress. The Distributor will also be moved to the bottom of the Xyngular line. After 3 months of no personal volume the distributorship will be removed from the distributor organization.

† = Managers and above receive \$1.50 for every 30 PV, \$6 for every 120 PV and \$18 for every 360 PV on levels 3-6.

*PV = personal volume

*GV = the total volume in the XDs sponsorship line or unilevel

3 RAPID REWARDS

The third way to earn income at Xyngular is through the Rapid Rewards Program. Xyngular has taken the first four levels of the unilevel plan and almost doubled them on all first time purchases. Every time you enroll a new Distributor you receive a Rapid Rewards Bonus on their first calendar month's orders, you can also earn Rapid Rewards on up to three additional levels below your personally sponsored Distributor for a total of up to 4 levels of Rapid Rewards.

	360 PV	120 PV	30 PV	
Level 1	\$72	\$24	\$6	Available with 120 PV & active auto ship of 120 PV
Level 2	\$36	\$12	\$3	Available with 120 PV & active auto ship of 120 PV
Level 3	\$24	\$8	\$2	Available with 360 PV & active* auto ship of 120 PV
Level 4	\$18	\$6	\$2	Available with 360 PV & active* auto ship of 120 PV

Customers and Distributors with 30 PV and an active Autoship of 30 PV will receive 1/2 of the first level Rapid Rewards. The other 1/2 will be paid to the first fully qualified upline Distributor.¹

To qualify for the Rapid Rewards Program the XD will need to purchase the appropriate PV as listed above in a calendar month.

A \$2.00 check charge will be assessed on all commission and bonus checks with a minimum check amount of \$20.00.

Retail Profits, Rapid Rewards and Residual Earnings are paid daily.

* Active means an XD has a valid auto ship in place and has purchased at least 120 PV in the previous month or the current month.

¹ To continue to fully qualify for Rapid Rewards the XD must maintain at least an Autoship of 120 PV.

CORPORATE SALES POOLS

The fifth way to earn income in the Xyngular compensation plan is through the corporate sales pools. As a Distributor you get to share in the product sales of the entire company. As the company grows, you have the opportunity to participate in that growth.

Level	GV (GROUP VOLUME)	XV (XYNGULAR VOLUME)	Sales Pool
Manager	2,000	30,000	1% of the total corporate volume
Silver	6,000	40,000	1% of the total corporate volume
Gold	10,000	50,000	1% of the total corporate volume
Platinum	15,000	75,000	1% of the total corporate volume
Director	20,000	100,000	1% of the total corporate volume
Silver	30,000	250,000	1% of the total corporate volume
Gold	40,000	500,000	1% of the total corporate volume
Platinum	50,000	1,000,000	1% of the total corporate volume
Executive	100,000	2,000,000	1% of the total corporate volume
Silver	200,000	4,000,000	1% of the total corporate volume
Gold	300,000	8,000,000	1% of the total corporate volume
Platinum	500,000	10,000,000	1% of the total corporate volume

XV (Xyngular Volume) is ALL of the volume of every XD (Xyngular Distributor or Premier Customer) who joined after you in Xyngular.

The 1% sales pool is 1% of the TOTAL Corporate Volume for the month. For example, if the total corporate volume is \$20,000,000 for the month then 12% of \$20,000,000 or \$2,400,000 is paid out in the 12 sales pools. You share in as many of those 12 sales pools as you have qualified for. You must have at least 120 PV in the month to qualify for these pools.

The Manager, Silver Manager, Gold Manager & Platinum Manager pools are divided equally among all XDs who qualify for each of those pools.

The four Director sales pools are divided on a pro-rata basis with the maximum GV counted for each pool as follows:

Maximum GV for Director Sales Pool= 29,999

Maximum GV for Silver Director Sales Pool= 39,999

Maximum GV for Gold Director Sales Pool= 49,999

Maximum GV for Platinum Director Sales Pool= 99,999

The four Executive sales pools are divided on a pro-rata basis for all the XDs who qualify for each of those pools.

(For example: The XD with the highest volume in their GV levels 1 through 8 will receive the largest portion in each of the four Executive sales pools for which the XD is qualified.)

Only 60% of the required GV for a level may be counted from any leg to qualify for titles, contests, and sales pools.

(For example: Of the 2,000 GV required to reach the Manager level, an XD can use up to 1,200 GV (60% of the 2,000) from every leg in their organization. If one leg has 1,500 in volume, 1,200 of the 1,500 will apply toward qualification. If another leg has 1,200 in volume, all of the 1,200 will apply toward qualification.)
