

SeniorChecked® Overview

What is SeniorChecked?

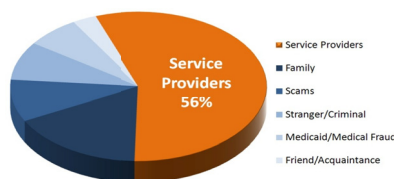

At SeniorChecked our mission is to help reduce the risk and incidence of fraud against Seniors by connecting them to trusted local businesses.

SeniorChecked is a free to consumer network of screened and verified local businesses, designed with Seniors unique needs in mind. SeniorChecked conducts the industry's most comprehensive set of background checks; leveraging the power of verification to help Seniors and their families find service providers they can feel safe doing business with.

SeniorChecked spans a wide range of categories from Senior related categories like elder care and senior move managers to more common needs like plumbers and handymen. The full list SeniorChecked categories include:

- Accounting/Bookkeepers
- Assisted Living
- Automotive Repair Services

Why use SeniorChecked?

1 in 5 Seniors have been victims to fraud or financial abuse at levels estimated to be at least \$2.6 billion annually with 56% of the cases being committed by unscrupulous service providers.

At SeniorChecked, we understand that hiring service providers requires a high degree of a trust. This is why we go beyond basic ratings and reviews and one-time superficial screenings, requiring every member business to undergo and pass more than two dozen local and national checks each year, including:

- Criminal & Civil Background
- Professional License Status
- Liability Insurance
- Sex Offender Lists
