Poodle Cake

Fudge

Oven, Microwave,
Freezer, and
Dishwasher Safe

Packaging

Brightly colored and kid-friendly, Zanda Panda's flexible silicone Puppy mold will appeal to children, bakers, pet lovers and crafters. The whimsical design features an adorable puppy with a background of meandering paw prints.

As versatile as it is cute, it can be used for baking cakes, cookies and breads; molding chocolate, gelatin and fudge; and creating arts & crafts with clay, plaster, salt dough and other moldable materials.

All Zanda Panda bakeware designs are made of FDA (US) or LFGB (EU) approved, 100% food-grade, platinum cured silicone, with a temperature range of -40 to 446 °F (-40 to 230°C). Oven, microwave, freezer and dishwasher safe.
