# Important Details for OKC Training

**Cost:** All one day classes are only \$250 each when paid 30 days prior. After that, the class cost goes to \$295 each. Class discount is given when participants buy 3 classes and receive the 4th class free!

**Reservations Required:** A spot is reserved with payment.

**Cancellation Policy:** The Stamp Store requires 14 days advanced notice for cancellations in order to fill any last minute positions left open. Any cancellations, including no-shows received after the 14-day cut off period will be charged \$50 per class.

**Lodging:** The Holiday Inn provides discounted room rates to all Stamp Store training attendees. When you call to make your reservations you will need to let them know that you are attending The Stamp Store Training. The contact information is as follows:

Stone Garden Hotel & Conference Center  
6200 N. Robinson  
Oklahoma City, OK 73118  
405-843-5558

**Lunch:** The Stamp Store provides lunch each day. If you've ever been here before, you know this is a special daily treat.

**Training Times:** Training begins at 8:00 AM each morning. The training will conclude around 4:30 PM each afternoon.

**Class Size:** Class size is limited in order to maximize the hands-on learning experience.

**Trainers:** We have a variety of trainers. Two of our very best trainers are Tim Frazier and Rick White. Of course, The Stamp Store owner Doug Bannister will also be on hand. Our bilingual trainer, Sal Charqueño will be on hand to translate all information as needed.

**Purchases:** Our training is far more informational and educational than sales oriented. However, we are available to assist you in choosing materials after the class. Please have your order form completed and ready before the end of the training session if you plan on taking materials with you.

**Discount:** Purchases made during the class and up to 1 week afterwards receive a 5% discount for participants.

**Note:** You have a full week to get your discount on your first purchase after attending the training. If you choose to drive you may want to consider taking your products with you to save on freight costs.
