

Learning & Development Center

Building knowledge organizations through innovative learning

Learning & Development Center is a state-of-the-art platform and digital content library delivering powerful and effective learner resources that build competencies and skills and increase performance across the enterprise.

Library Catalog

Clicking on “Catalog” displays a list of resource titles arranged in order by category (e.g., Business Essentials, Coaching and Mentoring, Communication Skills, and more).

The user has the option to click on “See Abstract” to get a quick view of the resource content, or click on “Open Book” to preview the book. After reviewing the book, the user can choose to move the book into his or her “My Bookshelf” for future access and completion.
