

CMSA's Virtual Extension to the Annual Conference

Additional Continuing Education Opportunities
Available Until the End of the Year

Register Today at the Introductory Rate of \$199

As the leading membership association dedicated to the support and professional development of all case managers, CMSA's Annual Conference & Expo has always been the premiere educational event in the case management industry. However, in today's world, we understand not everyone can join us for CMSA's Annual Conference and Expo. **So, it is with great excitement that we are pleased to announce our virtual learning experience via the CMSA Virtual Extension of the Annual Conference.**

Visit <http://www.cmsa.org/VirtualExtension>
and see if CMSA's Virtual Extension works for you!

During this initial roll-out, we're looking for your feedback as we seek to incorporate and extend our future conferences with more virtual options — **such as this extraordinary opportunity for the low introductory rate of \$199.**

Why is This Important to You?

- **CERTIFICATION** — Earn up to **31.8 Nursing** and **26.50 CCM** Continuing Education hours towards your certification.
- **KNOWLEDGE** — Covering the hottest case management-related topics, the sessions are accessible from your computer.
- **VALUE** — A great low price for the content and continuing education.
- **CONVENIENCE** — Learn at your own pace at times most convenient for you.

But it won't last long! Registration will end December 15th, 2010, and all courses must be completed by December 31st, 2010, regardless of registration date. So, signup early!
