

Surex™

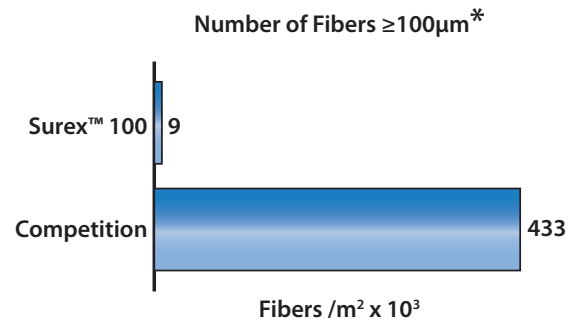

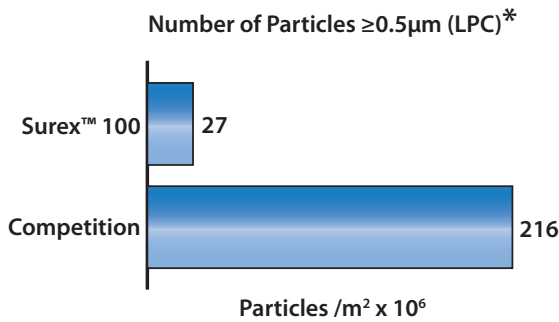

EXTREME CLEAN Polyester/Cellulose Wiper

Exclusively from Berkshire

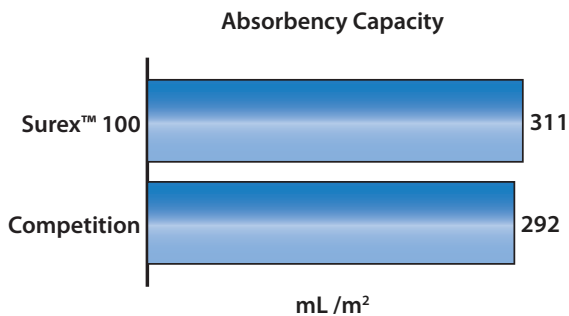

An important task of a wiper is to absorb liquid. Surex™ takes advantage of a breakthrough technology that reduces a wiper's particle and fibers without sacrificing ABSORBENCY!

Surex™ Performance

☑ *Extremely low particles and fibers compare to similar wipers of its class*

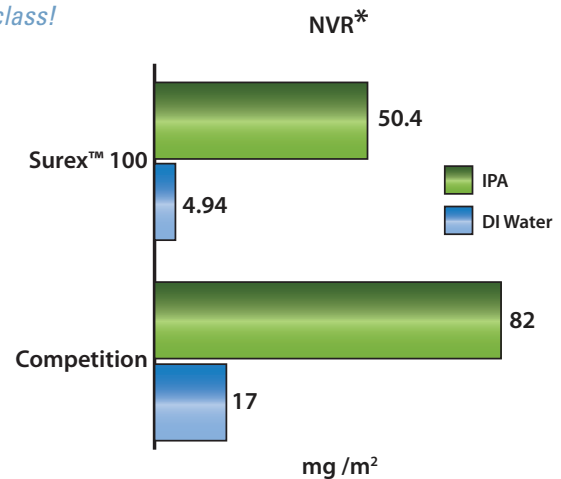

☑ *Versatile usage, soft and absorbent*

☑ *Maintains your cleanroom environment*

Surex™ has the lowest non-volatile residues and ion traces in its class!

*Third Party Test Data

Now there is no need to sacrifice absorbency and price for cleanliness!
