Torii's Fall Adventure

written by Janelle Condra

illustrated by Alan Condra

Hi, my name is Torii.

I am a Golden Retriever and I live in northern Wisconsin where there are lots of trees and lakes. I love to go on outdoor adventures in the woods anytime of the year. I've gone on many fun adventures in the spring, summer, fall, and even winter.

My family likes to take pictures of me while I'm on my adventures. They even made me a photo album of my very own so I can remember all the fun I've had.

I'm looking at it right now.

Let me show you a few pictures
of my big surprise and some
others from one of my fall
adventures in the woods!

one fall day my family left in the car.
When they returned later that day,
they had a big surprise for me!
It was a new puppy named Marli!

We have lots of fun playing together,
but...
