in Personnel Certification

**Thousands of training organizations across the world have identified the supreme services offered by PEOPLECERT and chose to proceed with PEOPLECERT Accreditation.**

**Being accredited by PEOPLECERT, you enter a group of prestigious organizations which wish to receive only the best on all levels.**

### **Quality Services for your students, our candidates**

Individuals seek high quality services throughout their progression. Your expertise in providing high quality training using suitable materials and trainers is fully aligned with our ability to provide valid and friendly examination and certification services. Prove to your students the superiority of your services with PEOPLECERT independent accreditation.

### **Why PEOPLECERT accreditation?**

PEOPLECERT accredits organizations and training providers in order to validate the quality of the education programs provided. Thus it is ensured that students receive professional guidance and supervision while preparing for their exam. PEOPLECERT accreditation may relate to the training organization, to the examination center, or to the training material and can be mandatory or recommended depending on the certification scheme.

## PEOPLECERT offers accreditation on the following entities:

## International Recognition & Support

PEOPLECERT accreditation grants you the international recognition required to make a difference in the training market. You will be provided with the necessary wall plaques, certificates and logos that prove your accreditation to students and candidates. Your organization will be presented on PEOPLECERT's website, while your contact details will be available to potential customers. Moreover, you gain access to **PEOPLECERT's Assessment Portal (PASSPORT)**, a state-of-the-art administration and examination system, especially designed to support training providers and examination centers.

## Next steps

Upon submitting the necessary application forms, your organization will be audited to verify its compliance with PEOPLECERT quality requirements. The requirements may vary, depending on the certification scheme and the entity for accreditation. Organizations can be accredited as **training providers (ATP)**, **courseware providers (ACP)** and **examination centers (AEC)**, or any combination of the above by signing a three year contract with PEOPLECERT.

Upon completion of the accreditation process:

- ✓ **ATPs engage approved trainers**
- ✓ **AECs engage approved invigilators**
- ✓ **ATPs purchase approved training materials from an ACP**

## Accreditation requirements

PEOPLECERT takes quality very seriously, especially when it comes to accreditation. Each certification scheme is likely to have its own set of accreditation types and requirements; yet, it is most likely to include the following:

- ✓ Training materials must fulfil PEOPLECERT's quality and exam requirements
- ✓ Training providers will be assessed on their general company profile, on the courseware that will be used and on their trainers' experience and qualifications

## What costs are involved?

PEOPLECERT accreditation costs are the most competitive rates in the industry.
