DOUBLETREE SAN PEDRO HOTEL OFFERS SMOOTH SAILINGS AND DISCOUNTS FOR CRUISE PASSENGERS

Park and Cruise Package at the Doubletree San Pedro hotel allows guests to set sail without worrying about their car.

San Pedro, CA – (10/21/10) – Cruises satisfy the need to relax and the thirst for adventure. However, the logistics of planning for a cruise can be dizzying: who is going to watch the house? Take care of the dog? Where to park the car? Fortunately, the Doubletree San Pedro hotel can alleviate one of these stressors with the hotel's Park and Cruise Package. Guests departing from the World Cruise Center can park their car at the Doubletree hotel for up to 14 days and enjoy overnight deluxe accommodations. The hotel provides a shuttle service to and from the World Cruise Center, which services many major cruise lines. This hotel package is available for reservation online at <http://www.doubletreesanpedrocalifornia.com/special-offers/featured-specials/park-and-cruise-package>

The World Cruise Center, located in San Pedro/Los Angeles, is a gateway to the Pacific Ocean. The port serves as home to Royal Caribbean International, Princess Cruises Norwegian Cruise Line and most recently Disney Cruise Line. Carnival Cruise Lines, Celebrity Cruises, Crystal Cruises, Cunard Line, Disney Cruise Line, Holland America Line, Seabourn Cruise Line and Silver Sea Cruises make regular calls at the port as well.

Beginning in January 2011, Disney Cruise Line will offer cruises to Alaska and Pacific coast destinations aboard the Disney Wonder, where guests will explore the ocean in family-friendly, Disney style.

Besides the parking solution and overnight deluxe accommodations, the Park and Cruise Package offers guests breakfast for two and two drink coupons. The Park and Cruise Package starts at \$189/night. Guests can also reserve the Stay and Park Package, which offers up to 14 days of parking and deluxe accommodations.
