Emergency Consultants, Inc. is a corporation providing management and administrative support to limited liability partnership clients. It is not a direct provider of medical care services.

## BOSCOBEL, WISCONSIN

Boscobel, Wisconsin, is set on the peaceful banks of the Wisconsin River, which offers scenic bluffs and wide shallow waters that are perfect for fishing, kayaking, and canoeing. Visitors to Wyalusing State Park, which is known as the "crown jewel" of Boscobel, can camp 500 feet above the confluence of the Wisconsin and Mississippi Rivers. Campers and hikers at the state park have the chance to explore Indian burial mounds, take birdwatching expeditions, and paddle the canoe trail.

Boscobel is just a short drive from a number of state parks and campgrounds, including Eagle Cave Natural Cave and Camp Grounds, Nelson Dewey State Park. It is also an easy three hour drive from Milwaukee, Wisconsin's cultural and dining options and less than two hours from exciting Madison, Wisconsin, a bustling university town.

Golfers enjoy the rolling hills of Southern Wisconsin at the nearby Hickory Grove Public House (Golf Course), located in Fennimore. Nearby Spring Green offers a professional performances at the American Players Theatre.

## AFFILIATE ADVANTAGES

All physicians are partners with Southern Wisconsin Emergency Physicians, LLP, a registered limited liability partnership. An excellent compensation package is offered to part-time and full-time physicians. Physician partners have the option to participate in a 401(k) plan with immediate 100% vesting. Additionally, physician partners are eligible for health, life, disability, optical, and dental insurance through payroll deduction. Malpractice insurance with unlimited tail coverage or on an occurrence basis is provided.

## BOSCOBEL AREA HEALTH CARE

Boscobel Area Health Care is a 25-bed Critical Access Hospital. Services at the hospital include Cardiac Rehabilitation, Long-Term Care, Clinic Care, and Primary Care, as well as Chemotherapy, Respiratory Care, and Physical Therapy. Diagnostic Services in the department include Laboratory, Diagnostic Radiology, MRI, Nuclear Medicine, EEG, CT Scanning, and more.

The BAHC Emergency Department, a Level IV Trauma Center, treats 5,000 patients each year. The department features two trauma rooms, as well as six additional beds. Built in 2008, the department is equipped with brand-new tools and monitors and the latest medical technology. The department also offers a fast track for walk-in care.

Physicians staff the Emergency Department seven days a week, 24 hours a day. The BACH staff has the support of First Responders, emergency personnel, and medical flight services. Physicians and nurses in the department are trained in Advanced Cardiac Life Support (ACLS) and Trauma Care.

BACH Emergency Department physicians have a dual Emergency Medicine/Hospitalist role and the opportunity to work in either 12 or 24-hour shifts. Physicians perform patient admissions and discharges, as well as inpatient rounds.
