November 4<sup>th</sup>, 2010 – Los Angeles, CA

Natural Dynamix is proud to introduce The Gummy Cuties line, [Children's Gummy Vitamins](#) that will delight children with the whimsical characters featured on each product. Kids will love the great taste, flavors, shapes, and will ask to take their vitamins.

**Gummy Cuties Multi Vitamin** is a blend of 11 essential nutrients and vitamins to help kids stay healthy.

**Gummy Cuties Calcium with Vitamin D** helps to build strong bones and teeth. Vitamin D is included in this formula to assist calcium absorption.

**Gummy Cuties Omega-3 DHA/EPA** adds DHA and EPA to your child's diet for their daily needs to improve brain function, aids vision development alongside focus and attention with no fishy aftertaste!

All **Gummy Cuties Children's Gummy Vitamins** are gluten free, made with all natural flavors and colors from natural sources. Free of wheat, soy, dairy, yeast, peanuts, tree nuts, shellfish and preservatives.

The Natural Dynamix DX line, **adult dietary supplements**, delivers comprehensive formulas to boost your health.

**Krill Oil DX** is a unique form of omega 3 fatty acids with no fishy aftertaste. Krill Oil DX helps support neural, heart function while providing inflammation response for joints. Krill Oil DX Contains Premium DHA and EPA alongside astaxanthin, a potent antioxidant. Harvested from sustainable sources.

**Joint DX** is a comprehensive formula that combines Glucosamine, Chondroitin and MSM with *Natur-ele* to promote healthy joints and connective tissue while supporting the body's natural inflammation response.

**Essential Antioxidant DX** combines the superfruits acai, camu camu and pomegranate with aloe vera to deliver the most effective free radical defense for a healthy lifestyle.

The Natural Dynamix adult line now includes [adult gummy vitamins](#)! Why should kids have all the fun?

**Fiber Adult Gummies** add four grams of fiber per serving with no sugar added.

**Calcium Adult Gummies** provide a great alternative to large calcium pills that are difficult to swallow.

All Adult Gummy Vitamins are gluten free, made with all natural flavors and colors from natural sources. Free of wheat, soy, dairy, yeast, peanuts, tree nuts, shellfish and preservatives.

#### About Natural Dynamix

*Founded in Los Angeles, in 2008, Natural Dynamix was created by a group of individuals deeply interested in health and nutrition. With advanced formulation, collective botanical wisdom from around the globe and innovative ingredients, Natural Dynamix has created a comprehensive adult supplement line alongside a children's gummy vitamin line. These two unique lines offer superior nutritional products to empower individuals to make educated and informed lifestyle and health choices.*
