## BOYS DON'T CRY

If you were a hip kid in 1986, your anthem was "I Wanna Be a Cowboy" by BOYS DON'T CRY. From the mouth of a trendsetter named Madonna (who raved to anyone listening that it was "her favorite new song") to the airwaves of WLIR in New York to KROQ in Los Angeles, "I Wanna Be a Cowboy" was kitschy and cool. The track took on a life of its own that year, driving BOYS DON'T CRY to the top of the Billboard charts. Led by UK singer/songwriter/guitarist Nick Richards, BOYS DON'T CRY and "Cowboy" reached the Top Ten on the US Billboard charts in 1986. A worldwide smash! BDC band members include Michael Licata (drummer for Ricky Martin, Savage Garden, Jermaine Stewart, Bang Tango) and guitarist Aaron McLain (Marc Anthony, Terence Trent D'Arby, Jermaine Stewart, Oleta Adams/Tears For Fears, Sheryl Crow, Beto Cuevas).

## TERRI NUNN & BERLIN

Led by the beautiful, hard rocking Terri Nunn, Berlin is known for their energetic live show as well as their multi-platinum hits including: "Take My Breath Away", "No More Words", "Masquerade", and "The Metro".

## ROY HAY (CULTURE CLUB)

Roy Hay's and Culture Club has sold approximately 22 million albums worldwide. Culture Club were one of the biggest pop bands of the 80s, racking up seven straight Top 10 hits in the UK and nine Top 10 singles in the US. Hits include "Do You Really Want to Hurt Me", "Time (Clock of the Heart)", "I'll Tumble 4 Ya", "Church of the Poison Mind", "Karma Chameleon", "Miss Me Blind", "It's A Miracle" and more.

## MARTHA DAVIS & THE MOTELS

The Motels are a dominant "voice of the 80's" band best known for "Only the Lonely" and "Suddenly Last Summer", both of which peaked at #9 on the Billboard Hot 100 in 1982 and 1983, respectively. Their song "Total Control" reached #4 on the Australian charts in 1980.

## DEON ESTUS (WHAM!/GEORGE MICHAEL)

Deon Estus is best known as the "third member" of Wham! and as George Michael's bassist. The highly recognizable Estus toured China with Wham!, performed at Rock in Rio, and with George Michael on his Faith tour. (Enjoy What You Do)", "Wake Me Up Before You Go-Go", "Careless Whisper", "Freedom", "Everything She Wants", "Last Christmas", "I'm Your Man", "A Different Corner", "The Edge of Heaven" and more.

## FEE WAYBILL (THE TUBES)

Fee Waybill is the lead singer of legendary American rock icons, THE TUBES. For years THE TUBES have shocked and entertained audiences around the world with their outrageous antics and hammering rock and roll. Hits include "Talk To Ya Later", "She's A Beauty", "White Punks On Dope", "Don't Want To Wait Anymore", and more.

## GARY BEERS (INXS)

Gary Beers is the bass player for legendary Australian rockers INXS. INXS achieved international success with a series of hit recordings through the 1980s and 1990s, including the albums Listen Like Thieves, Kick, X and Welcome to Wherever You Are and the singles "Original Sin", "Need You Tonight", "Devil Inside" and "New Sensation". To date INXS have sold more than 30 million records.

## PT5

PT5 is a brilliant up and coming teenage band brought aboard by Boys Don't Cry leader, Nick Richards. PT5 recently rocked the house at the Los Angeles "Battle of the Bands" contest and also sold out the Whiskey A-Go-Go. This new generation of rockers is opening the concert.

## SPECIAL GUEST HOSTS

### JANE SEYMOUR

This British beauty trained as a dancer before becoming an actress with a long career. She's tackled a number of memorable movie roles---a Bond girl in "Live and Let Die", an early-20th-century stage star in Somewhere in Time, a middle-aged sex kitten in Wedding Crashers and many more. Emmy winner Seymour spent six seasons as a feisty 19th-century feminist on the American western drama Dr. Quinn, Medicine Woman. But acting is by no means Seymour's only interest: The mother of four has published several self-help and children's books and devotes much of her time to charitable causes. She also briefly returned to dancing in 2005 when she signed on to Dancing With the Stars.

### MARTHA QUINN

Martha Quinn is best known as one of the original video jockeys on MTV (along with Nina Blackwood, Mark Goodman, Alan Hunter, and J.J. Jackson). In 1990, Quinn appeared on the short-lived Brady Bunch sequel The Bradys. Quinn played Tracy, who married Bobby Brady (played by Mike Lookinland). She joined Ed McMahon as a co-host for Star Search in 1994. She was a bi-weekly correspondent on The Early Show in 1999. She had a recurring role on Full House. SIRIUS/XM Radio hosts Martha's radio show "The 80s on 8", and the show is titled "Martha Quinn Presents".
