Perryman & Associates Announces Winner of the 2010 Perryman Award for the Advancement of Business

Perryman & Associates is proud to announce Verity Business Solutions, LLC as the recipient of the 2010 Perryman Award for the Advancement of Business.

Perryman & Associates, a leading provider of award-winning Sage Abra HRMS since 1993, is proud to announce Verity Business Solutions, LLC as the recipient of the 2010 Perryman Award for the Advancement of Business. This honor is awarded to an organization in central Florida that shares with Perryman the common values of integrity and innovative business practices.

With this recognition comes a business development sponsorship to support the growth and advancement of the award company. The award allowed Verity to acquire Sage Abra HRMS, the leading mid-market human resources management system.

Verity is a central Florida based Human Resources Outsourcing firm that provides a suite of total HR solutions enabling businesses to implement an HR department, boost performance in their existing HR department, or relieve them of human resources complexities. Through a convenient web-based, innovative human resources management system, Verity streamlines human resources departments, surpassing modern HR standards. Verity provides everything from information technology systems, risk management, pre-employment screening, and benefits administration.

“We are thrilled to be a part of the advancement of this business in our community,” says Pamela Perryman, CEO of Perryman & Associates. “Verity is an organization whose hallmarks are diligence and integrity. We are proud to support such a company.”

The Verity Difference is based on the tenets of innovation, character, endurance, satisfaction, and efficiency. More than an ideology, The Verity Difference is about building enduring business relationships through dedication and client satisfaction.

“Verity is honored to be recognized with the Perryman Award for the Advancement of Business,” says Christopher Armas, CEO of Verity Business Solutions. “We pride ourselves in aligning with organizations that value businesses in our community the way we do. We share Perryman’s vision for supporting the development of business in central Florida.”
