

LM LEADMASTER
LEAD-XPRESS

LEADMASTER

Survey Says - Challenges

Companies that sell and distribute leads through :

- ✓ Channel partners, sales agents or business partners
- ✓ Or a large distributed sales team

Face common challenges:

- ✓ Have a difficult time tracking leads.
- ✓ Spend too much time manually assigning leads
- ✓ Cannot afford the cost of a lead management system for all sales channels.
- ✓ Find data and reporting are inaccurate due to the lack of a uniform system throughout the channel.

For those companies that do have a CRM:

- ✓ It's expensive, reps don't want to use it, training takes a long time
- ✓ It's difficult to move and track leads through the sales cycle – from marketing to inside sales, to outside sales and channel partners

The Solution

Lead-Xpress...

1. Drastically reduces time assigning and tracking leads.
2. Simplifies the lead update process.
3. Offers the *lowest* prices in the industry.
4. Affordable pricing allows everyone involved in the channel access to the system.

Benefit #1 – Saves Time

Lead-Xpress drastically reduces time spent on lead distribution and tracking.

- Managers can assign leads and request for lead updates directly from the system with 2-3 clicks.
- Lead recipients receive leads directly via email, eliminating manual lead tracking.

Benefit #2 – Simplify Updating CRM

Lead-Xpress simplifies the account and sales lead update process for sales reps

- Reminders to update leads are sent via email.
- The lead update form takes seconds to complete.
- The simple update form requires no training whatsoever.
- Reps can be alerted of newly assigned leads immediately via text message

Benefit #3 - Affordable

Lead-Xpress offers industry-first rock-bottom prices.

- Users can **choose** the most affordable **pricing model** for their needs.
 - » **User-Based**: Monthly subscription of \$10 or less per Xpress user
 - » **Lead-Based**: \$2 or less per outgoing lead
- Compared with full-fledged CRMs that charge \$65 per user per month, businesses can easily **save 90%** per Xpress user!

Benefit #4 – Better Information

Implementing Lead-Xpress results in more accurate information in the system

- The affordable pricing methods allow everyone involved in the sales channel to use a **single uniform system** receive and update leads.
- The system is updated more regularly, resulting in **more accurate data**.
- The precise data is used for accurate forecasts and **better business decisions**.

Lead Distribution

Lead-Xpress distributes leads via email with a link to the CRM.

- Lead progress is easily tracked.
 - Managers save vast amounts of time manually assigning and tracking leads.
- Updates to leads can be requested at any time.
 - Easy update for reps result in more leads being updated.
 - Database is more accurate and current, creating more accurate forecasts and better business decisions.
- Leads can be sent immediately via text message.
 - Reps can respond to a new lead's inquiry within seconds
 - Shorter response times result in greater close ratios.

Benefits Summary

- Save vast amounts of money.
- Save managers' precious time.
- Eliminate the need for Sales Rep training on the CRM
- More accurate data, resulting in more accurate reports and forecasts and better business decisions.
- Save sales reps' time with easy lead-update forms.
- Immediate text message alerts about new leads result in faster response times and greater close ratios.
- Affordable pricing means channel partners and sales agents can access the CRM, receiving leads and updating accounts.

Pricing Options

Offering industry-first rock-bottom prices.

- Users can **choose** the most affordable **pricing model** for their needs.
 - » **User-Based**: Monthly subscription of \$10 or less per Xpress user
 - » **Lead-Based**: \$2 or less per outgoing lead
- By comparison, most cloud-computing CRMs that charge \$65 per user per month, businesses can easily **save 90%** per Lead-Xpress user!

What's Holding You Back?

- Risk-Free
 - You have nothing to lose
- No Long Term Contracts
 - As with LeadMaster, Lead-Xpress lets you choose whether or not to extend your subscription monthly.
- Hosted application
 - Flexibility of upgrading or reducing Xpress users at any time.
