

AMCI Adds Sales Reps to the Southeast Area

Terryville, CT – SKA – Simpson & Associates Representatives is now representing Advanced Micro Controls Inc (AMCI) in the Southeast, including: Alabama, Florida, Georgia, Mississippi, and Tennessee.

AMCI’s recent growth in the Steel, Mining, and Packaging industries has required the addition of sales reps in these states to better service the expanding market. AMCI’s local sales representatives have a deep knowledge of AMCI solutions, and provide assistance with product selection and support. AMCI sales reps work with a large number of Allen-Bradley, Schneider, and GE distributors who together, will help customers and OEM’s find the best solution for their application.

If you are located in the Southeastern United States, please contact SKA – Simpson & Associates Representatives to learn more:
