

# A LETTER FROM SANTA

A magical, meaningful  
message of giving

## Order holiday letters from RemindSanta.com and support the National Center for Missing & Exploited Children

Send a beautifully illustrated letter with your personal message... Postmarked at the North Pole (really!)... With a hand-written signature, postscript (P.S.), and envelope... AND Click2Mail will donate \$1 of each letter you purchase to the National Center for Missing & Exploited Children.

“Remind Santa is a wonderful opportunity to help someone in your life have a great holiday while also helping improve and save the lives of children all across the country,” said Ernie Allen, NCMEC president and CEO. “It is only with the support of caring partners like Click2Mail and their customers, that the National Center for Missing & Exploited Children is able to carry out its mission of child safety.”

“Every year our team looks forward to launching RemindSanta.com to help make children happy while supporting child safety in communities across America” said Lee Garvey, President of Click2Mail.

“Keeping children safe and happy is our holiday goal and we encourage everyone to support the important work of the National Center for Missing & Exploited Children.”

NATIONAL  
CENTER FOR   
**MISSING &  
EXPLOITED**
