

# Black Friday 2010 Shopping Guide

**Black Friday will fall on November 26th this year. As in previous years, it is during this sales holiday that consumers are expected to flock to the stores to get the best deals they can find.**

Black Friday is regarded as the start of the 'Holiday shopping season' in American and it comes right after Thanksgiving. On this day, stores offer some of their products at huge discounts while opening their doors in the early hours of the morning to entice shoppers to buy their favorite items ahead of everybody else. Before making any purchase, one should first research what Black Friday deals are available to get the best value for their money.

[ThanksgivingBlackFridayAds.com](http://ThanksgivingBlackFridayAds.com) makes that easier for you as we have come up with samples of the best deals in a number of your favorite stores.
