

I AM Thy Kingdom Come!

New Year's Class *Dec. 29, 2010 - Jan. 2, 2011*

From the Crystalline Core of White Fire in the Heart of the Great Central Sun, Emerald Rays of Miracle Light shine forth from the Dazzling White Essence of the Great I AM. Eternal tides of Divine Life and Light flow forth as Fire Mist from Love's Cornucopia and make manifest the Kingdom of God on Earth as it is in Heaven.

**"FOR THINE IS THE KINGDOM,
AND THE POWER, AND THE GLORY"**

The Decree of Eternity reverberates throughout all of creation, establishing and maintaining Royal Realms — a Regal Kingdom of Perfection — where all agree, obey, and conform with the sovereignty of the Law of The ONE, the All-Pervading Presence of God who is Creator King.

"I AM THY WILL BEING DONE"

This King of Kings has willed to win the Victory Triumphant over the conquest of this outer world by expanding the elements of the Golden Age into the Earth, fashioned and formed after his Dominion of Divine Design. As Firstborn of this Kingdom, you are both an instrument and a beneficiary of this declaration of divine occupation to bring forth the Reign of God upon the Earth once again.

"I AM ON EARTH, EVEN AS I AM IN HEAVEN"

As Crown Prince or Princess of God's Kingdom, you are heir or heiress apparent to the throne of this majestic monarchy. Your Presence already resides as Lord and host within the Royal Realms, living the Ascended Master Way of Life in eternal adulation and exaltation. This is the life you can lead, the life that is availed to you here and now as a Son or Daughter of God!

Wherever the Power of the Presence has been demonstrated and documented as a record of living Fire, there an Individualized Focus of God Identity has been present to operate the Law, to allow that Law to pass through their Chalice and produce the miracles of manifestation.

As a disciple of the Ascended Masters, this is the Opportunity that now lies before you — to establish an anchor point in the physical world where the Goodness of God's Dominion can be expanded and maintained.

"This is when the Earth will know Peace! This is when the Earth will know Abundance! This is when the Light of God, as the Emerald Ray, will bring forth the Wealth and Beauty of the Earth, the true natural resources the Earth depends upon for its nourishment!" -Cyclopea

For this cornucopia of the Eternal Treasury to pour its bounty into this world, there must be embodied Initiates to act as the Open Door through which the Greater Power of the God Presence can be focused. There must be Christed Individuals walking the Earth, holding high a Pure and Perfect Chalice, and lowering the Supreme Abundance of God's Kingdom into time and space.

"Individuals can make themselves ready to be custodians of these gifts; for in the age that is already ushered in, only those will have unlimited use of wealth who have made themselves worthy to be Trusted Keepers and Dispensers of this treasure. God and Nature provide these Gifts for man to use rightly, and Right use alone is the condition on which they may be received." -Saint Germain

**"AND SOUL BY SOUL AND SILENTLY
HER SHINING BOUNDS INCREASE"**

This is the challenge of the Entire Spirit of the Brotherhood of Light — to prepare the entirety of mankind to not only understand the Law of Life that governs the Realms of Perfection but also to master the training, the discipline, the actual achievement, accomplishment, and attainment of how to operate that selfsame Law in this world so that at long last the I AM Kingdom can come into eternal dominion.

The Ascended Masters issue their royal summons and call all who are desirous of being about this Mastery and Attainment to join the royal procession to Coeur de Li6n for the 2011 New Year's Conference, *I AM Thy Kingdom Come*, as they once again extol the Virtues of the Ascended Master Way of living life, of problem solving, and of readying ourselves to relish the Joys and the Bliss of the Kingdom of Divine Life and Light!

- * Embrace and ratify the Law of Life as the Law of your Being in this outer world.
- * Cultivate the proper environment within your microcosmic forcefield to facilitate the natural productivity of God's Kingdom within your life.
- * Experience the Freedom of focusing the Emerald Ray and All-Seeing Eye to pinpoint accuracy, concentrating and lowering Life into manifestation.
- * Begin to learn how to produce the same powerful and prolific results as do the Adepts and the Ascended Masters.
- * Dare to live every single day of the New Year and beyond as the Christ in this world of form.
- * Celebrate the New Year in the halls of Shamballa. Reenact the ancient, Sacred Fire tradition. Receive the 2011 Thoughtform of the Year from Beloved Lord Gautama.

"The Light is The Kingdom. Enter into It and BE — at Peace. Return to the Father's House." -Saint Germain

The Keys to the Kingdom

Acropolis Sophia

January 3-9, 2011

Unlocking the Full Force of the Christ Light

“The next step for you will be to learn how to turn the Cosmic Key and light your way wherever you wish to go. The Key is within you, the Light is within, and also all about you.”

-Chananda

Your Mighty I AM Presence already holds the keys to the Kingdom of God. As you allow your Presence to overshadow your four lower bodies, to act through your attunement, visualizations, thoughts, feelings, actions, and desires, the keys to creation will be your reward — the macrocosmic operation of the Forces of Life and Light to fashion creation after the Creator of all, the One Mighty Presence, the Great I AM.

This is the means whereby the Brotherhood plans to bring the I AM Kingdom into eternal dominion — to assist individual disciples upon the Path to unlock the Force of God’s Life and Energy from the great spheres of his Universal Presence to bring about the investiture of this supernatural form of Force straight from the glorious, Self-Luminous Sun of each one’s Mighty I AM Presence.

This radiation or outpouring of Light, which is really the Luminous Essence of Divine Love, has within It the Highest Force in the Universe, for it dissolves all discord and establishes Perfect Balance in all manifestation.”

-Saint Germain

In the Kingdom of God, absolute Perfection of every expression of life is created and sustained by the Law of Life — a life filled with Love, Harmony, and Peace! In that Realm, God Consciousness decrees thoughts of Perfection and feelings of Harmony into substance, qualifying energy with those selfsame attributes that manifest as ever-expanding Omnipresent Perfection.

“With Perfect Harmony maintained in the Individual’s Consciousness, the Door to God’s Kingdom of Perfection — the Activity of Life without any limitation — stands wide open forever.”

-Saint Germain

The key in this world is to allow your Mighty Presence to dispense its own Self-Luminous Essence of Love into your vehicles so that the Full Force of this Christ Light descends as the substance and energy of your Crystal Cord and takes God Control of your consciousness, being, and world.

From within out, the non-luminous nature of your lower vehicles will take on the Self-Luminous Nature of God Love. That Essence will shine forth and enable your Presence to build up a resonance within your bodies, phosphorescing, luminescing, and stepping down the impulses of its own Supreme Consciousness. These expressions of Perfection will bless all of life and likewise convey the Full Force of Christ Light into the Great Sea of Universal Light, qualifying it with that One, Changelessly Supreme, Imperishable Quality of Perfection.

“THE LAW OF LIFE, OF THE WHOLE UNIVERSE, IS THE LAW OF LIGHT”

As you amass the Christ Light — the One Universal Light that is Intelligence, Substance, and Energy — that Light will be liberated and unlocked within the Threefold Flame of your Heart and the centers of the Great Central Sun anchored in your Crown and Third Eye, knitting your vehicles into a unified chalice of Christic Identity.

This state of liberation will bring you to the practical stage of Productivity where you may cooperate with your own Mighty Presence to wield the Power of this Electronic Light and trigger the release of its Full Force into the outer world to move, mold, shape, and qualify every form of substance and energy.

“A real student — and only such a one will get the benefit out of this kind of training — takes the reins into his own hands and determines to discipline and consciously control the human self.”

-Saint Germain

The operation of this Force requires a sincere, strict discipline of the human sense-consciousness. Your four lower bodies must be obedient to your Conscious Command of Perfection. At the coming Acropolis, the disciplines that are part of the price of the Christ Light, the price that must be paid in order to actually attain to the Mastery of this Divine Energy, will be presented and practiced:

- * Build God Consciousness into your life and displace all else!
- * Strip all power from appearances!
- * Disconnect all ties and tendrils to mortal consciousness!
- * Establish a citadel of Power within your Electronic Circle!
- * Wield the two-edged sword of Christ Discrimination!
- * Consume every temptation!
- * Demand the Dazzling White Light of Christ Righteousness!
- * Preserve the Panoply of the Christos!
- * Accept nothing less than Pristine Purity!

“And thus in this coming cycle you will be challenged to make the God Reality of your own Mighty I AM Presence as the Christ Light a way of life for you. This is the time. This is the cycle. Do not procrastinate.” -Goddess of Purity

As disciples of the Ascended Masters, you are invited to slip into the Dazzling White Robe of your own Christ Consciousness and travel the King’s Highway to The Temple of The Presence for the 2011 New Year’s Conclave. Rendezvous with friends on Earth and Friends above as you revel in the glorious Spirit of the Christmas Angels, the Mighty Snow King and Queen, Mighty Elohim Purity and Astrea, the Goddess of Purity, Archangel Gabriel and Hope, and all of the magnificence of the White Fire Core that awaits your arrival!
