

Camp Sunshine

Since 1984 Camp Sunshine (Casco, ME) has offered a retreat for children with life-threatening illnesses and their families. The program includes children under active treatment for cancer, kidney disease, lupus and other illnesses. Since the program's inception over 35,000 family members from 47 states and 17 different countries have been a part of Camp Sunshine. The Camp focuses on alleviating the strain a critical illness takes not only on the ill child, but also on other members of the immediate family. There is **no charge** to participating families. For more information, visit Camp Sunshine on the web at www.CampSunshine.org or call (207) 655-3800.

Shawnee Peak Adaptive Ski Program

The Shawnee Peak Adaptive Ski Program was started in 1990 as an outlet for the local school system and their small group of special needs children. Today, it has grown to serve more than 100 children and adults weekly from three counties. School groups and adult outreach programs, as well as individuals, are welcome to join this program. Volunteers allow for one-on-one coaching with updated ski equipment, such as the bi-ski that allows paralyzed skiers freedom on the slopes.

Rules & Format

The Goal . . . To enjoy a fun-packed evening of racing and skiing under the lights while raising money for Camp Sunshine and the Shawnee Peak Adaptive Ski Program.

To Get Involved . . . It's easy! Simply put together a team of four at work or among your friends. Beginner, intermediate and advanced skiers and snowboarders welcome. Teams can consist of varying abilities.

The Format . . . Each skier and snowboarder on the team will take one run through a modified giant slalom course. Times will be combined to produce the "team time". The team with the fastest time wins.

The Twist . . . You can buy time! For every \$100 your team raises above the registration fee, one second is deducted from your team score. For example: \$1,000 equals 10 seconds. (All monies must be paid by registration.)
