**Meets IBC & IRC Requirements**

## SECONDARY RAILING

*Secondary Round Handrail or "Graspable Handrail" is used in many different commercial and residential applications. Fairway's "Vinyl Round Railing" can be used in conjunction with guard railing or in some applications as a durable and attractive primary rail. Your local building code may require a "secondary" railing system. Local jurisdiction codes also vary on how the ends of the handrail are to be finished. We suggest contacting your local building code official to determine the handrail requirements for your area.*

**STRUCTURAL POST MOUNT**  
VINYL POST SLEEVE MOUNTING INSERT  
For mounting vinyl post sleeves to concrete and deck installations.\* Provides a great alternative to wood and conquers the warping, bowing, cracking, splitting and rotting issues. (\*joist bracket recommended)

**TWO MODELS TO CHOOSE FROM!**  
Our standard model (shown left), was designed for level surface installation and features tough poly resin blocks, that offers adjustability for variable height rail installations.

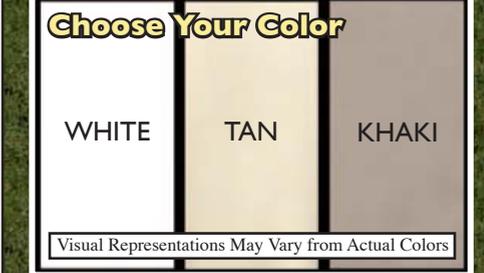

Also available is our adjustable leveling model (left insert) that provides up to 5 degrees of correction and assures plumb installation when mounting on non-level surfaces.

**KNUCKLES & ADAPTERS**  
**BE CREATIVE & ORIGINAL**

**VINYL POST WRAPS**  
Fairway Vinyl Post Wraps are the perfect solution for covering pre-existing wood support posts. For protection against the elements or complementing your deck and railing system. Great for hiding old discolored and splintered wood posts.

Standard Post Wraps (left) & Adjustable Post Wraps (right) are available in select 4", 6", 8" & 10" widths in white, tan and khaki.

## FAIRWAY FIVE

\*Fairway's Railing Systems have been tested to the prevailing ICC (International Code Council) standards and requirements for both IRC-2006 (Residential) and IBC-2006 (Commercial) applications, as certified by an IAS recognized laboratory, and those current and applicable certifications, including any limitations, may be viewed by visiting [www.iccs-es.org](http://www.iccs-es.org) and [www.archtest.com](http://www.archtest.com). Fairway Vinyl Systems are backed with a Limited Lifetime Warranty.
