Integrate

Integrate is a performance based ad platform that has integrated almost every distribution source offline and online into one single platform.

Advertisers can upload their ad creative onto integrate and get placement on: billboards, newspapers, magazines, tv, radio, mobile devices, SEM sites, online contextual ads AND the only time they are ever charged a fee is when a qualified new business lead is delivered. Integrate is revolutionizing the advertising space.

Integrate is a complete customer generation platform that embraces all aspects of performance marketing.

We provide a one stop shop for all your marketing campaign needs --

- Cost per Lead (CPL)
- Cost per Inbound Call (CPIC)
- Cost per Acquisition (CPA)
- Live Transfer (LT)

Customized Campaigns
