FOR IMMEDIATE RELEASE

**St. Thomas Luxury Hotel Offers New Amenities and Services to Visitors**  
*Hotel opens new bar and expands menus at restaurant to provide guests with a unique experience in the US Virgin Islands.*

The Morning Star Beach Club, in an effort to bring new experiences to its guests, has remodeled the Sand Bar by Havana Blue. The new redesign brings the design of the bar in line with the tropical location and luxurious atmosphere. In addition to the newly redesigned Sand Bar, this USVI hotel has also begun special buffet service at its restaurant Coco Joe's. The new buffet, which takes place on Mondays and Thursdays from 6pm to 10pm, features lobster and prime rib. With these new inclusions, it is clear that guests seeking a Virgin Islands hotel should escape to the Morning Star Beach Club. The USVI resort provides an experience like no other, boasting elegant rooms, a remote white sand beach, enticing dining options and a wide array of signature amenities.

Additionally, guests can take advantage of other services before ever reaching the USVI hotel. Prior to arrival, guests can use the Virtual Concierge on the hotel's website to truly customize the experience. Selections include in-room floral arrangements, room service, spa treatments and more.

Once guests arrive at [the Morning Star Beach Resort](http://www.marriott.com/sttfr), they will be immersed in exclusivity as they check in at their private concierge desk. The resort offers guests a variety of options when choosing a room. Elegant beach front accommodations or rooms featuring magnificent tropical garden views are just a few of the hotel's options. The spacious rooms can serve as an intimate getaway for two or for a family if guests stay in one of the hotel's villas. Groups of travelers who wish to stay a little bit more connected can also enjoy the hotel's new adjoining

rooms. Guests can book up to eight connecting rooms to help ensure the party never stops. For more information on the Morning Star Beach club please visit <http://www.marriott.com/sttfr>

About the Frenchman's Reef & Morning Star Marriott Beach Resort

A part of the Frenchman's Reef Resort, the Morning Star Beach Club is one of the leading destinations in the US Virgin Islands. This resort in St. Thomas features spectacular views of majestic Charlotte Amalie Harbor and offers white sand beaches, comfortable accommodations, five restaurants, six bars and three swimming pools—all promising an unparalleled Caribbean vacation. With a variety of meeting rooms and event spaces, Frenchman's Reef is also the perfect venue for a St. Thomas wedding or business occasion. For those seeking a more exclusive Virgin Island setting, the Morning Star Resort offers 97 elegant beachfront rooms in a more secluded part of the resort complex that overlooks the Caribbean Sea.

Guests are pampered with signature amenities, which include mineral water and jasmine-scented warm towels upon arrival and first-rate toiletries in the rooms. In addition, guests will enjoy 32" LCD televisions, WI-FI internet and MP3- ready alarm clocks. The [Morning Star beach club](http://www.marriott.com/sttfr) is the only USVI hotel to boast a natural beach. The enchanting white sand beach is the perfect spot to relax as guests take in the sights and sounds of the captivating Caribbean Sea. Enjoy exclusive beachside amenities such as reservations for Beach Spa

Cabanas. For those who crave adventure, see the hotel's concierge to arrange water sports, hiking, scuba and other activities found on USVI. To learn more about the Morning Star Beach Resort, visit their website at <http://www.marriott.com/sttfr>
