The Growing Green Program

Thank you for taking this important step in helping our organization reach its financial goal while beautifying your yard. Your purchase of these top quality flower bulbs demonstrates your sincere support for our cause. Growing Green Fundraising shares your support and will be donating 50% of each sale to our organization. So order today! PLEASE NOTE: All orders will ship in spring at the proper planting time.

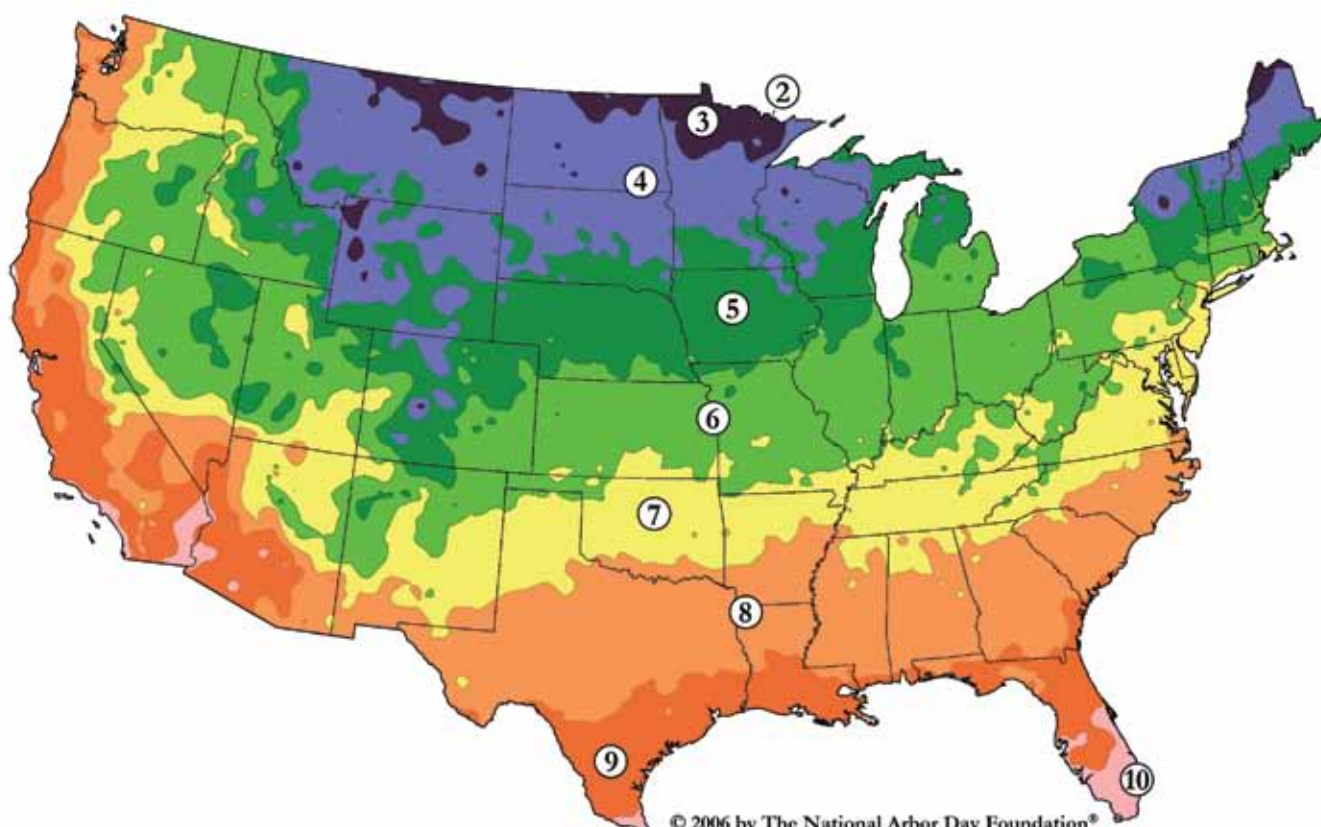

The Growing Green Guarantee

You can shop with confidence when selecting bulbs from Growing Green Fundraising. All of our products are 100% guaranteed to grow to your full satisfaction. If you are at all dissatisfied with your purchase, simply contact us and we will be more than happy to right the situation with you by offering your choice of a replacement, credit or full refund. It's that easy!

What is my zone?

Use this map to determine which zone you are located in. If your zone is listed as a "hardiness zone" for any of the products you can rest assured that they will be a perennial in your area. You can enjoy these blooms year after year! If your zone is listed as suitable but not hardy, these products will grow beautifully this summer in your garden, but may not survive the harsh winter.

Zone	Avg. Annual Low
2	-40°F through -50°F
3	-30°F through -40°F
4	-20°F through -30°F
5	-10°F through -20°F
6	0°F through -10°F
7	10°F through 0°F
8	20°F through 10°F
9	30°F through 20°F
10	40°F through 30°F

Symbols: Full sun Partial shade Shade Suitable cut flower Suitable for containers Pleasantly fragrant Deer resistant

B THE PRESIDENT RED CANNAS
 This canna is known for its extremely vibrant and large red blooms which form atop stems of lush, green leaves. Loving full sun and acting as a great backdrop, these plants are great for adding a tropical look to your garden or containers!
Height: 24 – 36"
Spacing: 12 – 18"
Bloom time: Mid Summer
Hardy Zones: 8 – 11
Suitable Zones: 4 – 11
3 bulbs for \$10

C SARAH BERNHARDT PINK PEONY
 The deep green leaves and vibrant pink blossoms of this ever-popular peony grow quickly. They will produce more vibrant color and larger blooms year after year, making them a great border, backdrop, or accent plant in your perennial summer garden!
Height: 20 – 30"
Spacing: 24 – 36"
Bloom time: Early Summer
Hardy Zones: 3 – 8
Suitable Zones: 3 – 10
1 plant for \$10

STELLA D'ORO DAYLILY
 One of the most beloved summer perennials, the Stella D'Oro Daylilies are extremely vigorous in growth and structure. The vibrant sunshine yellow of these blooms will make a very happy addition to your garden and will continue blooming for years to come!
Height: 12 – 18"
Spacing: 12 – 15"
Bloom time: Mid Summer
Hardy Zones: 3 – 9
Suitable Zones: 3 – 10
1 plant for \$10

BLUE BOY TALL PHLOX
 One of the most loved and well-known of the summer-blooming perennials, the tall garden phlox is a staple in many perennial gardens. This slightly fragrant blue-purple blooming variety will add beauty from July to August and sometimes even blooms a second time in fall!
Height: 32 – 40"
Spacing: 12 – 18"
Bloom time: Late Summer
Hardy Zones: 4 – 8
Suitable Zones: 4 – 10
1 plant for \$10

F STARGAZER ORIENTAL LILIES
 Who could forget one of the best loved lilies? These jumbo bulbs will produce beautiful blooms which can sometimes reach up to 8" across. They emit a wonderfully sweet fragrance to fill your entire yard! It also makes a great cutflower, creating gorgeous fresh floral arrangements!
Height: 24 – 36"
Spacing: 8 – 12"
Bloom time: Mid Summer
Hardy Zones: 3 – 8
Suitable Zones: 3 – 10
3 bulbs for \$10

G MIXED FREESIA
 The possibilities of these little beauties are endless! Use them in a border, sprinkle them throughout an already-established garden bed, or grow them in your cutting garden! This mix, full of fragrance and elegance, is a summertime favorite for good reason!
Height: 4 – 8"
Spacing: 3 – 4"
Bloom time: Mid Summer
Hardy Zones: 9 – 11
Suitable Zones: 4 – 11
20 bulbs for \$10

MEXICAN SHELL FLOWER
 Make a statement in your summer garden this year with these vibrantly-colored blooms. The somewhat triangular shape of these flowers give it a unique look while the speckled vivid colors of pink, red, yellow, and orange catch the eye of passer-bys.
Height: 18 – 24"
Spacing: 4 – 6"
Bloom time: Mid Summer
Hardy Zones: 7 – 10
Suitable Zones: 3 – 10
5 bulbs for \$10

VISTA HYBRID GLADIOLI
 Looking for a unique gladiolus to grow and impress visitors to your garden? Try this newer variety with petals that boast of three different colors: white, purple, and magenta centers. These make a wonderful complement to other purple and white bloomers in the garden.
Height: 48 – 60"
Spacing: 6 – 9"
Bloom time: Mid Summer
Hardy Zones: 8 – 10
Suitable Zones: 4 – 10
10 bulbs for \$15

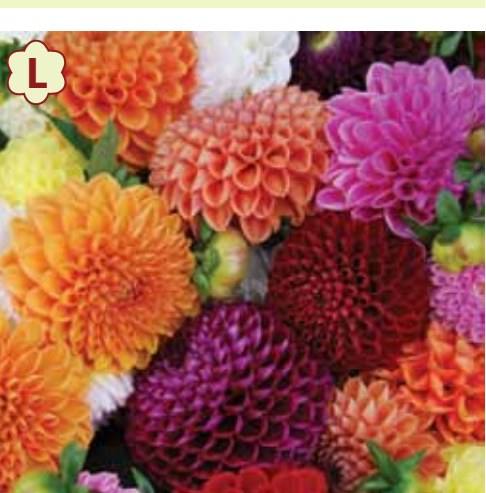

J GIANT ELEPHANT EAR
 Transport your yard to the tropics this year with this large Elephant Ear! Known for their giant green leaves and baseball-sized bulbs, these plants are perfect for any sunny garden as a backdrop or screen. The tall 6' foliage of these plants is sure to impress all of your neighbors!
Height: 48 – 72"
Spacing: 36 – 48"
Bloom time: Summer to Frost
Hardy Zones: 9 – 11
Suitable Zones: 4 – 11
1 bulb for \$15

K ORIENTAL LILIES MIXTURE
 These easy to grow bulbs will return year after year, producing large, exotic flowers with an intense fragrance. This beautiful mix of white and pink lilies will bloom in midsummer and make excellent cutflowers for your favorite vase!
Height: 18 – 24"
Spacing: 12 – 15"
Bloom time: Mid Summer
Hardy Zones: 3 – 9
Suitable Zones: 3 – 10
5 bulbs for \$15

MIXED UNWIN DAHLIAS
 Add lots of cheer to your summer garden this year with this happy mix of dwarf dahlias! Blooming in an array of colors, these flowers grow atop sturdy stems of just 24" making them perfect for cutting and enjoying in the landscape.
Height: 18 – 24"
Spacing: 18 – 24"
Bloom time: Summer to Frost
Hardy Zones: 8 – 10
Suitable Zones: 3 – 10
5 bulbs for \$15

PINK BLEEDING HEARTS
 An old-fashioned but still much-loved perennial, the Pink Bleeding Heart will brighten up any dark spot of your garden. Loving the shade, these plants are extremely winter hardy and will grow approximately 20-30" tall in a small shrub-like form.
Height: 24 – 36"
Spacing: 24 – 36"
Bloom time: Early Summer
Hardy Zones: 2 – 8
Suitable Zones: 2 – 10
2 plants for \$15
