Cancun, Mexico – Sometimes it can be difficult to find that perfect way to express love on Valentine's Day. After all, the de facto day of love offers a number of stereotypical tokens that may not adequately express the sincerity of one's feelings: bouquets of flowers, a box of chocolate and fuzzy stuffed animals have all been given before. The [CasaMagna Marriott Resort](#) and the [JW Marriott Cancun Resort](#) have created a solution to skip the standard Valentine's Day gifts. On February 14, guests can reserve rooms at these Cancun, Mexico resorts at a 50% discount. Furthermore, guests who book at least five nights at either resort receive a complimentary room upgrade to the next room category.

This [Valentine's Day special](#) is available online at either Cancun resorts' website. Guests must use the promotional code L9Z when making reservations. While rooms must be reserved on February 14, guests have until December 12, 2011 to stay at the Cancun hotels.

A trip to Cancun is one of the most memorable presents anyone can give to their significant other. Instead of buying precious stones, guests can relax by the sapphire water and emerald foliage. Couples can sample fine dining under a moonlit canopy or listen to the waves carry them into the evening from their private balcony. Picturesque views of the Caribbean waters and powdery beaches are the perfect backdrops to make lasting memories as a couple.
