WhatTheyThink Consulting Services

WhatTheyThink Consulting Services offer convenient access to a pool of experts, consultants, analysts, and researchers for advisory services and custom research. The service is led by Cary Sherburne, who brings more than 20 years of experience to the graphic arts industry. Our goal is to provide a superior experience for companies seeking assistance with business strategy.

For more information about how WhatTheyThink's Consulting Services can help your company, and to review the participating industry experts, visit http://members.whattheythink.com/consulting/.

Speakers Bureau

Through the WhatTheyThink Speakers Bureau, your organization can gain access to many of the industry's most sought-after columnists, consultants, educators, forecasters and commentators.

Visit http://members.whattheythink.com/speakers/ for detailed biographies and expert topics, or to submit a request for an expert speaker for your upcoming events.

WhatTheyThink speakers travel the world to bring up-to-the-minute expert opinions to association events, customer events, internal presentations and more.
