connXus.com: Membership Benefits

Supplier members of connXus receive:

- A custom profile that describes their business, identifies the products or services they offer, and includes important documentation Buyers require, like proof-of-insurance, certifications or bonding.
- Automatic distribution of their company's information to connXus Buyer Members looking for suppliers in their category or categories, creating a constant source of potential new business.
- Notification of new Buyer Members looking to make purchases in their category.
- Inclusion in the connXus.com proprietary, searchable database of performance-rated small and diverse suppliers.
- A company profile page, which they can use to market their company to anyone.
- Access to contracting opportunities with Buyer Members.
- Ability to secure real-time performance ratings from customers via the proprietary connXus rating system.
- Access to business news and information on relevant topics.
- Supplier subscription pricing is tiered based on revenue:

Tier	Revenue Range	Monthly Subscription
Small	Under \$5M	\$19.95
Medium	Between \$5M and \$25M	\$39.95
Large	Over \$25M	\$59.95

Buyer members of connXus receive:

- Access to connXus.com's proprietary, searchable database of performance-rated small and diverse suppliers.
