**Etreev CleanSweep Report**

Statistics	
*Total Material Removed (in tons)	31.98
Total Material Reused (in tons)	30.22
Total Material Recycled (in tons)	0.59
**Waste Neutral statistic	13,696
Diversion Rate by Weight	96.4%
Percent of Items Diverted from Trash	97.5%
Sustainability Results to Date (in tons)	
Material Reused	30.22
Material Recycled	0.59
Material Disposed	1.16
***GHGs eliminated (Metric Tons)	76.66

\* Items Etreev inventoried and accounted for, not including items that were left behind by staff which Etreev did not inventory, or items that were not reusable or recyclable.

\*\* Every American produces roughly 4.5 pounds of waste each day. This statistic indicates how many employees' daily waste production is neutralized as a result of this etreev project

\*\*\* MTCO2e is an internationally accepted measure that encapsulates all GHGs (greenhouse gases) that contribute to global warming. The metric tons reflected here is the amount of CO2e reduced by your reuse and recycling of your items with etreev.
