EMBASSY SUITES ANNOUNCES BOSTON HOLIDAY HOTEL SPECIALS FOR EASTER WEEKEND AND MEMORIAL DAY

Embassy Suites Boston Logan Airport discounts room rates just in time for Spring holidays.

Boston, MA – Memorial Day Weekend is one of the most popular times to travel every year; however, it can be also one of the more expensive. While the Embassy Suites Boston Logan Airport Hotel cannot lower the cost of airfare or gasoline, the Boston hotel does do its part to help lower travel expenses thanks to its Boston specials. Over Memorial Day Weekend and Easter Weekend, the [Embassy Suites Boston Logan Airport Hotel](#) has made 100 rooms available for just \$100/night. Guests interested in reserving this special rate need only to book their rooms at least seven days in advance.

This special hotel deal lets guests experience more of Boston by keeping more money in their wallets, and with the typically pleasant weather during Memorial Day Weekend, visitors to Beantown will have plenty to do. For those who have never been to Boston before, the Freedom Trail is recommended, which takes participants past 16 significant sites in American history. For those that would rather stay indoors, the New England Aquarium, features ever-changing, high quality exhibits that showcase aquatic favorites like sharks, penguins and more. Both of these attractions are located near the Embassy Suites hotel in Boston.

Of course, there is plenty more to see and do in Boston, as it is the unofficial capital of New England. From world renowned museums to exciting sporting events, there is always something to experience. Visitors will have an entertaining Memorial Day Weekend and Easter Weekend. And with the Embassy Suites Boston Logan Airport Hotel's 100 rooms for \$100/night special, guests can stay in comfortable accommodations at an affordable rate through both weekends.
