

Webinar Series presents

presented by:
Tom Kuhlmann,
VP of Articulate

April 13th
2-3 p.m. EST

Four Steps to Becoming an E-learning Pro

Join us and learn to:

- Design an e-learning strategy based around available resources
- Get the most out of simple, practical e-learning projects
- Visually align course designs around learning objectives and content
- Apply rapid instructional design models to make existing courses more engaging and interactive
