Introducing the Telcodepot.com Reseller Program

A NEW Sales and Support Program for IT Professionals, Data and Network Service Providers

Telco Depot, your preferred telecommunications partner, has always led the way in providing quality service with our industry-leading expertise in IP PBX Phone Systems and Support Services particularly with Microsoft Response Point Systems and peripherals.

TELCO DEPOT IS PLEASED TO ANNOUNCE THAT:

- We've acquired all of the End of Life inventory from Syspine so we are the exclusive source for Syspine Response Point systems and phones.
- We provide Genuine Expertise in Qualified Technical Support for Microsoft® Response point™ Systems .
- We continue to carry both Syspine and Aastra Response Point Product with a large inventory of new systems and phones plus Quintum Gateways and Clear One Max RP Conference Phones. We are the ONLY official distributor of Syspine Microsoft Response Point.
- We offer you our new TD reseller program featuring Syspine A50Plus & Telco Depot VoIP Systems as replacement product lines.

This Fantastic NEW Program Also Gives You:

- Discount on the Syspine A50Plus and Telco Depot Brand Systems
- Free Pre- and Post-sales System Support on Systems Purchased from Telco Depot
- Free Pre-programming of the system and Free Shipping of all Systems
- Commission on the Sale of Telco Depot VoIP Services

Tom Grinde, V.P. of Sales Explains the Program in Full Detail here at:
