Whether it's a first time Enterprise Resource Planning (ERP) & Information Technology initiative, a merger & acquisition related project, a drive to propel a business to best-in-class performance, or a system roll-out to other business divisions or countries, Illumiti does it faster, at a lower cost, and with a higher level of confidence.

Illumiti helps its customers drive competitive advantage through its focus on the DATA -> INFORMATION -> ACTION loop for Business Intelligence. We enable businesses to leverage IT solutions to ensure they have accurate data from which to report information and thereby enable managers and executives to take informed actions that deliver competitive advantage.

Illumiti's consulting services form an integral part of our client engagements and are particularly well suited to facilitate critical business effectiveness improvements such

as MRO Inventory Reduction; Planner and Scheduler Competence Development; Finite Scheduling Improvements; Warehousing excellence; and Lean / Six Sigma / Theory Of Constraints (TOC) tool infusions. Illumiti is also perfectly positioned to assist you with the system changes you require to support SOX, IFRS or new tax regulations.

Illumiti is a Gold Level SAP® Channel Partner, licensed to resell SAP®'s Business All-in-One suite as well as SAP® Business One.

"Our success comes from our constant focus on customer satisfaction and responsiveness. We strive to exceed our client's expectations with every project or assignment that we undertake."
