SO MANY FLAVORS, SO LITTLE TIME.

Now is the time for NSP.

Put NSP's Seared 'n Sealed® lines of fully cooked beef and chicken to work for your chain. These versatile marinated strips and cubes raise flavor, traffic and profit levels—while cutting labor costs, prep time and food-safety concerns. If you need to deliver even more value to your customer, there's never been a better time to talk with NSP.

WELCOME TO NSP—

your chain's new source of popularity and profitability. NSP makes it easy to serve deliciously memorable beef and poultry dishes at reasonable prices that produce major margins.

At NSP, it's all about offering product customization. Our culinary experts then create perfectly balanced marinades that can take any menu from ordinary to extraordinary.

NSP is your culinary partner. Our state-of-the-art Culinary Center—a menu-solutions think tank—brings effective new ideas to virtually any menu item, from international and regional entrées to upscale and down-home appetizers.

NOW'S THE TIME FOR NSP.
