Central Consulting Group Selected as a Deltek Premier Partner for 2011

Awarded for excellence in marketing, selling, implementing, and supporting Deltek solutions

Minneapolis and St. Paul, MN—March 1, 2011—Central Consulting Group (CCG) today announced it has been selected as a Deltek Premier Partner for 2011. Deltek Premier Partners are awarded based on their excellence in marketing, selling, implementing, and supporting Deltek solutions. Deltek Premier Partners are also required to meet and maintain a number of standards with respect to sales and marketing goals. CCG has been a Deltek Premier Partner each year since the program's inception.

"We are excited to name our Premier Partners for 2011," said Kevin Parker, President and CEO of Deltek. "Our business partners are a vital component of our strategy to expand our presence in the marketplace. We want to congratulate each and every partner that contributed to our success in 2010. We also look forward to working alongside these leading companies in 2011 and beyond."

Deltek, Inc. (Nasdaq: PROJ) is the leading global provider of enterprise software and information solutions for professional services firms, government contractors, and government agencies. CCG provides a range of services, custom development and specialized modules to optimize the Vision environment. Over 1,000 Deltek customers leverage solutions and services from CCG making the firm one of the largest Deltek partners in the world.

"We are honored to retain our Deltek Premier Partner status for 2011," said Jim Falkanger, Managing Partner of CCG. "Our skills, knowledgebase and experience with Vision customers has enabled us to continue our strong partnership with Deltek and we look forward to building on that in 2011."
