## We Offer a New Way of Delivering Legal Services to New York Residents

We are not just a document preparation web site. We are a New York law firm offering legal services in wills and estate planning not only in the New York City metropolitan area where our primary offices are located, but also throughout the State of New York.

### Compare the difference between a non-lawyer legal forms web site and our on-line legal services

Benefit	eLaweryny.com Rudolf J. Karvay, Esq.	Legal Zoom
Legal documents reviewed by a licensed attorney	✓	No
Legal advice included in the fee and also available (phone or e-mail)	✓	No
Conforms to State Bar ethics rules	✓	No
Custom drafting of documents and legal advice	✓	No

A legal forms web site is not a law firm and cannot provide true legal services, such as legal advice.

#### We are different from a legal forms site because:

- We stand behind and guarantee our work. If you go to a non-lawyer document preparation service, any guarantee is limited or non-existent.
- As lawyers, we must keep any communications between us confidential, and we are required to avoid any conflicts of interest. You can be assured that our services are trustworthy, private, and secure.
- We must comply with all of the Professional Rules that apply to members of the New York Bar. A legal forms web site offered by a non-law firm is not regulated in any way. If there is a problem, you have no recourse.
- We offer a 100% Guarantee. Review our [Guarantee Policy](#).
