

Get HandsOn Presents Follow The Leader

Follow the Leader is part of **Points of Light Institute's** (www.pointsoflight.org) Get HandsOn Campaign to demonstrate the power of volunteerism. Follow the Leader is an innovative and fun interactive online community that shows people how to create and run their own success volunteer projects. You can Follow the Leader and be eligible to win some **awesome prizes** in three easy steps:

- >> Choose and Download a Project Playbook
- >> Complete the Project
- >> Tell us how it went – with a journal post and photos

Through Follow the Leader's online community, we will provide resources, training and volunteer opportunities to enable concerned citizens to improve their schools, protect their environment, ensure the economic well-being of their friends and neighbors, and assist with emergency/disaster relief efforts.

Project Playbook

The Project Playbook gives you a step by step guide to successfully completing your service project. We have organized our most popular Project Playbooks by impact area. Once you've chosen and completed your project, just let us know how it went. By posting a journal entry and sending along some photos or videos of the project, you'll be eligible to win a trip to the Philippines for a one week all expense paid "Volunteer Vacation."
