

ULTRA LIGHTWEIGHT CONSTRUCTION

SUPERIOR 8-WHEEL MOBILITY

DURABLE DOUBLE STITCHED NYLON

COLORS AVAILABLE

- Designed with the female customer in mind, superlight weight fashion forward designs and colors with a soft “cushy” feel.
- Ultra lightweight construction is extremely light and allows for packing flexibility.
- Tightly woven nylon twill fabric is durable and long lasting. Double stitched seams provide additional strength. The dappled color treatment provides a distinctive stylish finish.
- Bright contrast linings provide “wow” appeal and help improve inside case visibility for packed items.
- 4x2 Dual Wheel System™ lets cases rotate 360° for superior mobility.
- Ergonomic locking handle system made from air craft grade aluminum comes with soft touch TPR for a comfortable grip. Zippered handle system pocket protects the handle system when luggage is checked in at the airport.
- Cushioned top and side carry handles help minimize hand fatigue.
- A lightweight Shopper, Wheeled Tote and Duffel round out the collection.
- Limited lifetime warranty with our Performance Guarantee covering the first three years of ownership.
