

# Express Extension Press Release

<http://www.expressextension.com>

As this year's tax deadlines are ominously approaching, many businesses and individuals are stressfully and hastily preparing to file their tax returns. But You Don't Have To! Each Year, an increasing amount of forward thinking individuals are filing Tax Extensions with the IRS. Last year, there were over 2 million people who E-Filed a Tax Extension. There are many different ways to file, but there is none simpler than Express Extension.

This Year, <http://www.ExpressExtension.com> has expanded their services to include the following:

- Business Tax Extensions – IRS Form 7004
- Personal Tax Extensions – IRS Form 4868
- Non-Profit Tax Extensions – IRS Form 8868

Although the IRS does not require a reason for filing a Tax Extension, there are many reasons that Express Extension may benefit you.

1. Express Extension is an IRS authorized E-File Provider. The IRS has stated numerous times that E-Filing is the the quickest and most secure way to file. Express Extension will send an email confirmation to the filing party as soon as the IRS processes the application.
2. Many Accountants and Tax Professionals are much more busy in the Spring than they are in the Fall. Filing for a Tax Extension makes it easier to get a proper amount of time with your Tax Professional.
3. Organizing all of the paperwork required for filing a tax return can be a daunting task. Extending the deadline for up to 6 months allows the taxpayer to organize all of their tax related documents so that they can better prepare returns and get the most credits and refunds as possible.
4. Self Employed Individuals funding a SEP IRA will also benefit from a Tax Extension because the deadline for funding this type of account is the tax due date.

With its streamlined design and user-friendly interface, Express Extension will walk you through each step of the process in less than 10 minutes. Everything is spelled out in easy to read instructions, not confusing tax jargon. However, if you should need assistance, our dedicated team of customer service representatives will gladly answer any questions you may have about the E-Filing via phone, email, or text chat. Express Extension is IRS authorized, safe, secure and encrypted.

Not only is the service of Express Extension beyond reproach, it is also much more affordable than its closest competitors. With prices starting at \$9.95 and not exceeding \$14.95, it is easily the Best Value of any Tax Extension Software on the market.

Express Extension is the Safest, Fastest, Most Efficient, and Most Affordable way to File a Tax Extension with the IRS.
