

Wilmington Design Company Expands Its Services to New Bern, NC

Wilmington, NC (PR Web) March 10, 2011 -- Wilmington Design Company has been delivering refreshing ideas, innovative websites and award winning design services to businesses in Southeastern North Carolina since 2003. The company is pleased to announce that it will be expanding its services into the greater New Bern, North Carolina area.

The company has already had the privilege of working with clients in the New Bern area including Water Street Realty, Island Harbor Marina located in Emerald Isle, Facials and Fillers of Morehead City, and Well Put Interiors, just to name a few.

With more than 13 years of experience in advertising, marketing and sales, the Marketing Manager for Wilmington Design, Keith Riggs will be heading the continued development. "We are really excited about expanding into the New Bern area. We have been successfully working with a variety of companies there over the past few years, and we have found that there is a real demand for the unique range of creative services that we offer."

Keith explains, "If you have a business in or around New Bern, NC you don't have to limit yourself to just the web design and graphic design companies in that area. Wilmington Design Company is right down the street. We do not charge for consultations or conversations, and we appreciate the opportunity to learn about each individual business in order to provide honest feedback."
