What is Planet Sherston?

Planet Sherston is a powerful new, interactive world of learning for children ages 3 to 11.

Set your pupils on a rocket-propelled educational journey. Planet Sherston combines universal appeal with specific plans to boost progress and accelerate learning.

The launch of Planet Sherston marks a new era in online teaching products from Sherston Publishing.

Packed with high-quality online curriculum resources covering maths, English, science, humanities, ICT and Early Years, Planet Sherston delivers 24/7.

Comprehensive tracking and reporting tools allow teachers to

easily monitor student progression and adjust assignments to meet specific needs/goals/learning styles.

Call now for your free, no obligation 30-day trial.

The core of Planet Sherston:

- ★ A wealth of engaging online curriculum activities and high quality video resources
- ★ Covers Mathematics, English, Science, Humanities, ICT and Early Years
- ★ Your classroom assistant with downloadable lesson plans and resources
- ★ Pupil home access for 24/7 learning
- ★ Tracking and reporting to monitor progress and support assessment

Planet Sherston includes

★ Personalised Planet

Subscribe to the entire planet of resources or choose particular curriculum areas - create a tailor-made package to suit your school's curriculum strategy, objectives and budget.

★ Track pupil progress

Comprehensive reports deliver information on pupil progression to support teachers' professional judgment, highlight pupil achievement and identify areas for improvement. It's a time saving tool.

★ Your classroom assistant

Perfect for setting homework tasks. Planet Sherston includes downloadable lesson plans and teaching resources that fit schools' teaching practices.

★ Free training

Subscribe to any of Planet Sherston's packages and receive a FREE training voucher, giving you a 1-hour product familiarisation session via the web. Or you can attend one of our regular free workshops.

- ★ **Pupil home access - fundraising option**
Choose to offer free Planet Sherston access to your pupils at home or ask for a contribution from parents. You choose – you keep the funds! This is a great opportunity to recoup your initial investment in Planet Sherston. **Call now for more details.**

★ What's next?

Next spring we launch individualised learning pathways to support personalised learning.

Based on individual pupil progress, the automated learning pathway feature will identify new activities to strengthen areas requiring action.

You'll find Planet Sherston to be a growing resource as every year – new tools, activities and resources are added based on valuable feedback from our users.
