

## Sani Beach Hotel Greece To Re-Open As Luxury 5 Star Resort (2011)

Sani Beach Hotel is gearing up to unveil the first phase of an exciting refurbishment that will see the property be transformed into a stunning and exclusive luxury 5 star hotel.

Part of Sani - the [luxury resort in Halkidiki Greece](#), Sani Beach Hotel will re-open for the summer season in April with 140 fully renovated Junior Suites offering a contemporary and luxury style complete with sumptuous Dream Beds. Guests will also enjoy exciting new menus in all of the hotel's restaurants and a fleet of golf carts will be on hand to whisk guests around the luxury resort in style.

At the end of the hotels 15 million euro renovations there will be 100 fewer rooms, including 60 suites with 50 square metres of contemporary living and sleeping space that can accommodate up to 4 guests (2 adults and 2 children under 12 years). The Sani Beach Hotel is an ideal [family holiday resort in Greece](#) as there will also be 20 family hotel suites with 75 square metres of living space. The new Suites feature a spacious seating area for added space and comfort. Also new for 2011 are Dream Beds which are fitted with luxurious mattresses and which offer an extraordinary sleep experience. The Sani Dream Beds include 4 feather and down hypoallergenic pillows, luxury mattresses for ultra comfort, duvet covers specially designed for the Mediterranean summer climate, bed skirt and ultra luxurious bed linen (300 thread count).

The outside area surrounding this [luxury hotel Greece](#) is also undergoing a total refurbishment. From April, hotel guests will be greeted with a stunning waterfall beside the hotel's main entrance and what was once the hotel's car park will be transformed into a lush Mediterranean garden. Children (and parents) will be overjoyed to discover a new hotel playground where even the most energetic of youngsters will be able to let off steam and work up a hearty appetite.

Dining at Sani Beach Hotel is also going 5 star! Room service will be available 24 hours a day and carefully selected new menus are being introduced at all of the hotel's restaurants.

Sani [Resort Greece](#) is also introducing the Sani Beach Experience, this concept has been designed to ensure hotel guests enjoy hassle free sun bathing on any part of the seven kilometres of perfect sandy beaches that surround Sani Resort. Sani Beach Experience will provide serving beach kiosks for every 100 sun beds, with dedicated personal 'Beach Buddies' serving guests refreshments and snacks from the comfort of their sun beds. The Sani Beach Experience will also offer hotel guests extra comfy and large beach towels throughout the day! The kids have not been forgotten either, with beach toys and games also available everyone will be kept happy on the beach!

From discreet, anticipatory service to sublimely comfortable guestrooms and restaurants serving the finest Greek and international cuisine, guests at Sani Beach Hotel can now expect a thoroughly 5 star experience from start to finish.

The much-loved Sani Beach Hotel is an ideal retreat for all ages. Guests are assured a warm welcome at this [beach hotel Greece](#) which occupies a prime position on the breathtaking Cape Sani with miles of golden sands stretching far into the distance. There is something for everyone at Sani Beach Hotel; a large lagoon-style swimming pool, a 7km palm fringed beach, fitness studio, watersports centre, live music at the Garden Theatre and the enticing MySpa for a wonderful, pampering experience.

The public areas and remaining hotel rooms at Sani Beach Hotel will be refurbished in 2012.

Prices for a new-look Junior Suite at Sani Beach Hotel start from €95 per room per night. You can also book your 5 star holidays at Sani Beach Club or Porto Sani Village online before April 5th and enjoy [early booking holiday deals & offers](#) and unmissable [spring holiday breaks in Greece](#).
