

HEALTHCARE PERFORMANCE STRATEGIES™

Driving Results in the OR

- Reduce Anesthesia Subsidies
- Optimize O.R. Performance
- Align Hospital & Provider Incentives
- O.R./ Anesthesia Performance Tools
- Interim Anesthesia Group Management

Our **Anesthesia Subsidy Reduction Programs** are customized to meet the unique needs of each client by:

- Providing insight into key drivers of anesthesia subsidies
- Identifying and assessing staffing and productivity benchmarks
- Improving revenue cycle performance through data-driven optimization
- Monitoring and comparing anesthesia billing performance with online tools

Our **O.R. Process Improvement Initiatives** optimize O.R. throughput, surgeon satisfaction and financial performance by:

- Chartering cross-functional performance improvement teams
- Analyzing, validating and benchmarking O.R. performance metrics
- Driving implementation of improvement plans
- Developing long term tracking metrics

Our **Data Tools** offer ongoing monitoring of key factors of surgical volume such as:

- Anesthesia service and O.R. satisfaction
- Anesthesia billing performance
- Operating room utilization analysis
- Comparison to peer facilities

Our **Interim Anesthesia Group Management** serves as a change agent during group turnarounds and creates stable, structured and accountable practices by:

- Developing and implementing staffing models
- Structuring and improving group governance
- Injecting an experienced, stabilizing force into the group
- Engaging anesthesia group into peri-operative improvement

Choose HealthCare Performance Strategies to enhance your anesthesia performance, optimize your O.R. process, and improve your bottom line.

- Our services are customized to the unique needs of our clients
- Our experienced physicians offer insight and lead our engagement teams
- We understand and address all components of your anesthesia subsidy
- Our structured data analysis and tracking will monitor anesthesia performance and O.R. results
