## "Safeguard Your Organization from Costly Claims and Lawsuits"

HIPAA, Corporate, Patient Safety Education:

Safeguard your organization from non-compliance with HIPAA, patient safety risks, healthcare fraud and abuse, sexual harassment claims, discrimination, and non-compliance with the Red Flags Rule with BridgeFront's Compliance education. Choose from 70+ online courses, authored by a board of highly qualified experts. Courses meet the needs of any type of organization required to comply with these regulations.

Course Topics Include:
- HIPAA Privacy & Security
- Confidentiality & Documentation
- Controlling Violence in Healthcare
- Preventing Sexual Harassment & Discrimination
- Red Flags Rule Awareness
- Healthcare Fraud & Abuse
- Patient Safety & Education
- Alternatives to Restraints & Seclusion

Exactly What Employees Need to Know:

Whether you are conducting initial staff training, training new hires or providing annual refresher training, these courses are a valued resource. Each course covers exactly what your staff needs to know to prevent costly claims and non-compliance penalties.

About Us: Rated a top-tier provider by our clients, BridgeFront provides online education for healthcare, government, business, and education. Our technology allows organizations to take our courses as-is, to modify our courses, or build their own. We provide expertise in compliance, the revenue cycle, clinical, and customer service communications.

Features & Benefits:

Variety of Course Topics—Choose courses on HIPAA, patient safety to prevention of sexual harassment in the workplace.

Available Online 24/7—Web-based courses can be taken on any internet-connected computer anytime, anywhere.

Virtual Bookmark & Notes—Students can take notes online and bookmark their place in the course to continue at a later time.

Certificates—Printable "Certificates of Mastery" are available once the course and test has been passed.

Customizable—Courses can be easily customized with your organization's information, such as policies and procedures.

Economical & Green—No costly instructors or classrooms; available online 24/7; and helps preserve our environment by saving on costly energy.

Testing—Review questions and testing engages the student, and makes it easy to document employee education.

Management Reporting—Easily view and create custom employee course status reports every step of the way.

"We rely on BridgeFront's online HIPAA training to ensure all employees understand the key aspects of HIPAA that are relevant to NCQA. The ability to quickly assign someone a course, and track course progress and completion, makes the process seamless."
- Beatriz Coningham, NCQA
