"The only difference between stumbling blocks and stepping stones is the way in which we use them." Adriana Doyle

"Peter has presented to our Forums at RBC several times. His insights are consistently incisive and educational. His presentation style is enthusiastic and engaging. At our most recent event, Peter led the pack of external presenters with a resounding 93% satisfaction rating from our audience of wide-ranging attendees, in-person and from around the world via live web broadcast. I highly recommend Peter as a refreshing asset to any conference."

Gary Hill, Program Director, Project and Program Management Services, RBC

"Your keynote presentation was an excellent training session for our members. Your knowledge and expertise was reflected in the way you conducted the presentation, and the enthusiastic reactions from the audience confirmed your ability to keep them engaged."

Monika Nowak & Sacha Olenroot, Co-Directors of Programs, Canadian Hotel Marketing and Sales Executives
