

APC

Staffing Services

Associated Professional Consultants, Inc. (APC) was founded in 2005 in Alpharetta, GA, a thriving suburb of Atlanta. With 20+ years of Corporate 500 Human Resources and Recruiting experience the founder of APC began

with the simple belief that "Companies want to work with a staffing firm they can trust to deliver qualified personnel and services in a partnership type of relationship. A staffing company which acts in a professional manner and will take the time to understand their business, needs and corporate environment."

Corporate Office – Alpharetta, GA

Secure talented personnel with skills that work for you when you choose Associated Professional Consultants (APC) to handle your technical staffing and employment services. APC is a leading provider of contract temporary staffing, job recruiting, and payroll services.

Growth and Development

The APC Difference

There's no doubt that what sets a staffing company apart from the competition is the ability to locate talented people. APC recently conducted a far-reaching survey among hiring and HR managers. Here's what they told us:

"By far, APC delivers higher quality staffing solutions than the competition."

We've experienced non-stop growth and reached levels of achievement because we never lose focus on a few key principals:

- Match client's requirements with only the most qualified candidates -- screening
- Tailor our searches to our client company's unique needs -- listen
- Offer lightning fast response time -- urgency
- Consistently deliver talented, highly skilled employees -- results

Our focus and commitment has enabled us to achieve tremendous growth since opening in 2005, and our development has been rewarded with affiliations and awards:

- ❖ Member of the National Association of Women Business Owners (NAWBO)

- ❖ Member of the Women's Business Enterprise National Council (WBENC)

- ❖ Member of National Women Business Owners Corporation (NWBOC)

- ❖ US Government General Services Administration (GSA) contract.
