

# KATHRYN COOMES

## OBJECTIVE

---

To provide the steps that I have taken both professionally and through education to become a mature therapist and demonstrate my learning on the level with a transitional Doctoral of Physical Therapy degree.

## EXPERIENCE

---

2003-present     **ProRehab-pc**     Evansville, IN

*Clinic Manager for satellite clinic*

- Provide evidence-based physical therapy in an orthopedic based clinic to a diverse patient population.
- Manage daily financial responsibility of the clinic and reporting to the company CEO and CFO.
- Manage clinical education for students company wide as my role as the CCCE.

1998-2002     **St, Mary's Medical Center**     Evansville, IN

*Senior Staff Physical Therapist*

- Performing physical therapy at in-patient hospital and organization of coverage on daily basis.
- Supervision of student observation and clinical education that occurred in the hospital setting.
- Attend meeting and sit on committees that were hospital wide changes in charting.

1997-1998     **Columbia Nursing Home**     Evansville, IN

*Staff Physical Therapist*

- Staff Physical therapist to provide skilled therapy to patients at different levels.
- Implement and develop screening programs for ambulation and balance.

1996-1997     **Riverview Hospital**     Noblesville, IN

*Staff Physical Therapist*

- New hire and provide Physical therapy in many different settings including out-patient, in-patient and SNF.
- Work to develop protocols for basic orthopedic surgeries both in-patient and out-patient.
