United Visual, Inc Appoints Daniel Newman as Chief Executive Officer.

March 24, 2011 Itasca, Ill. – United Visual, Inc., an award-winning professional audio and video systems integration firm announced the appointment of Daniel Newman as Chief Executive Officer (CEO). This role will focus on expanding the organization while ensuring United Visual, Inc. continues to provide industry leading audiovisual system integration service excellence.

Daniel will lead the continued development of the company vision while working closely with executive management to oversee the day-to-day operations including oversight of Sales and Marketing, Production Services, Systems Integration and Field Services. Daniel will also focus on the aggressive growth of United Visual's newest endeavor United GlobalComm, a division of United Visual that was developed to offer an array of managed Services for Video and Unified Communications Solutions. Daniel will report directly to United Visual's Board of Directors and will be responsible for streamlining the company's operations and positioning the company to continually achieve profit and growth targets.

Daniel brings a wide breadth of experience and knowledge in the Pro A/V and IT business having worked in the industry for the past 10 years. He has held several roles within United Visual including VP of Sales, Executive VP, and most recently Chief Operating Officer. Daniel is a charismatic leader dedicated to continuous improvement with a focus on continually advancing and evolving United Visual's business as well as its offerings.

Daniel is involved throughout the industry including a position on the Board of Directors for PSNI, a group comprised of more than 30 leading technology integrators throughout the US. He also is a member of InfoComm's Membership Committee where he is working with other industry leaders to improve the quality and base of our industry's largest trade association's membership. Additionally, Daniel is an Adjunct Professor at North Central College's school of Business.

During his tenure at United Visual, Daniel has demonstrated strong leadership and he has worked to identify many opportunities for improvement and accumulated a vast knowledge of the entire company's operations. This is the type of leadership that will allow United Visual to continue to be an industry leader.

United Visual, Inc. has been active and influential in the Chicago region since their inception in 1949. Ranked #32 in SCN's most recent issue spotlighting the top 50 Systems Integrators. Recently completed projects include a Pro AV Spotlight Award winning system integration project for The Illinois College of Optometry in Chicago, IL.
