

SAGETALES

crafting imaginative digital books & apps

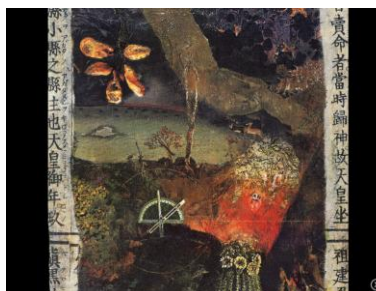

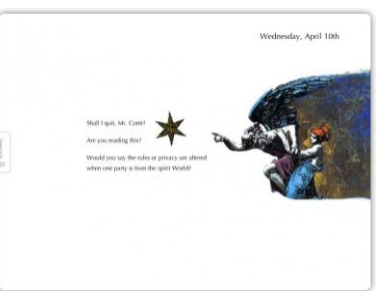

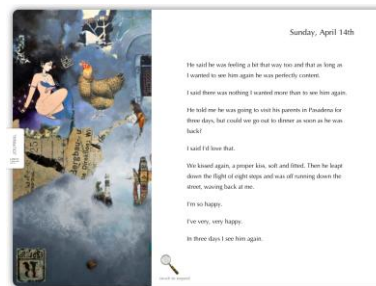

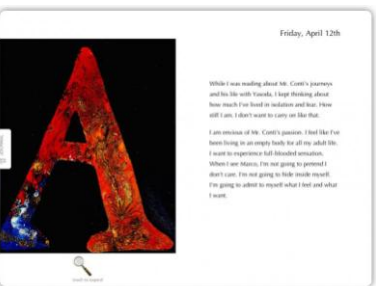

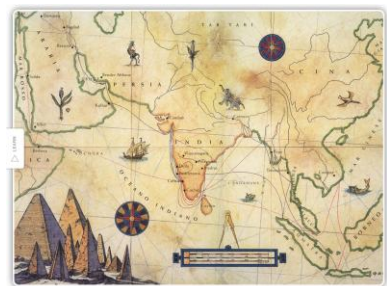

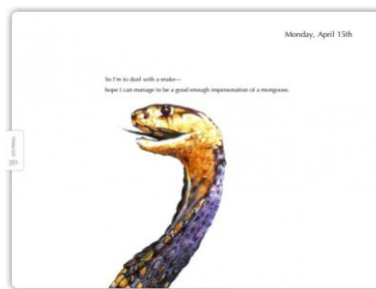

The Venetian for iPad™

Nick Bantock captivated millions with his *New York Times* bestseller *Griffin & Sabine*. *The Venetian* is his latest magical tale, designed especially for the iPad, with over 50 scintillating illustrations, whimsical animation, special audio surprises, and intuitive touch navigation.

Combining Bantock's signature blend of art and storytelling, *The Venetian* unfolds through a mysterious email correspondence between San Francisco art conservator, Sara Wolfe, and Renaissance merchant, Niccolo Dei Conti. A mix of modern technology and alchemy, *The Venetian* is a rich journey that culminates in a reunion over 500 years in the making.
