

# Pack your bags for the 101 Roll!

## Come along for the experience of a lifetime!

Join TrailerChix this summer as we celebrate the 101st anniversary of the travel trailer with a grand caravan down scenic highway 101. This ultimate road trip will cover 16 days and more than 1,800 miles from August 21 through September 5. Along the way, we'll stop and meet the locals, discover great music and look for great eco-friendly alternative living ideas. We'll also explore great ideas on how to live fabulously in a small footprint with the help of our food and lifestyle editors.

Special Open Camp days give you the chance to join us in the spotlight and show off your own eco living ideas and glamorous style (not to mention your Open Mike talent). You might even win a free trailer makeover or other fabulous prizes! So load up your RV, travel trailer or other pullable and come along on an unforgettable ride!

Look for our open camping locations and follow us on Twitter and Facebook for the most up-to-date information and highlights!
